health giving Sunshine

during drab winter days

Sunshine is radiant heat... natural heat for warming human bodies. That's why in dull winter we so often lack energy... the "pep" that goes with perfect health. And that's why Humphrey Radiantfires are so desirable for home and office. Radiantfires throw off radiant heat... sunshine heat... healthful heat when it is most needed on sunless days in winter. We can show you, if we may, how Radiantfires will serve your comfort and your health.
