

Pineville High to Have Science, Economics Dept.

BY WILLIAM GORDON
 PINEVILLE. — The interest of the entire community of the Pineville High School has been centered upon equipping a home economic department and a science laboratory.

Under the able leadership of our principal E. A. Chisholm we have been quite successful. Of the many entertainments sponsored out summit was reached October 16th, at that time all the churches in this and surrounding communities brought their individual choir and made liberal donations. The day was indeed a big success. The High School department has been very active sponsoring two big contests, a 52 piece china contest won by Misses Mae Bell Smith and Catharina Harrison, both of the 11th grade. Perhaps a more representative work was done in the Budol contest at which time each of the High school classes chose a Bride who selected four Bridesmaids. Each class worked diligently

only to be defeated by the 11th grade Bridge Miss Ezell Berry who at that time was presented a gold Bracelet donated by Kays Jewelry Store, Charlotte. It would be fair to say Miss Fannie Mae bride of the 9th grade who ran Miss Berry a very close second. Although not directly concerned the elementary department has been untiring in its efforts. Mrs. Douglas and Miss Long teachers of the second, third and first grades respectively, sponsored a Doll contest. Miss Dorothy Mae Wiseman of the 1st grade was the proud recipient of a beautiful doll at the close of the contest. CHARLOTTE — It has been officially announced that Rev. J. W.
