## Eagles Victory Over Union Starts Trouble

DURHAM — N. C. College Eagles established themselves last Tuesday night as the most likely contenders for the 1940 National Intercollegiate Championship by downing the mighty Union Panthers 43-29. The Eagles ended their season with a record of 15 conference wins, defeating such teams as Union, Va. State, Smith, A and T, St. Paul, and Bluefield in conference competition and losing only to Hampton.

In sporting circles, considerable controversy has been raised regarding Union's claim to the 1940 CIAA title in view of the fact that both teams have finished the season with the same number of victories. The controversy is heightened by the fact that Lincoln

has defeated the Panthers 44-31 and the Eagles have Union 48-29. It is particularly noted and stressed that both teams have only one conference defeat, but Union refused to play the "C" Carolinians until they had demanded of the Eagles an agreement to the effect that the results of the game would not be counted in the season's rating, and had the assurance of the executive committee of the CIAA that because of the said agreement the results would not be counted as a conference game.

So anxious were the Eagles to prove their supremacy

that the agreement was made. The results of the victory the Eagles over the Panthers is now known through-out the country.

In addition to a conference record over-shadowing the Unionites, the Eagles hold victories over W. Va. State and Ky. State College, in the Mid-West conference and have defeated the outstanding team in the Southern Conference, Florida A and M, by an overwhelming score of 68-26. It is doubted that any one team in the country can cite a record which will parallel this for the present season.

## Hornets Girls And Boys Turn Back Oxford

BY WILLIAM "SMILING" TUCK (SPORTS EDITOR)

DURHAM — The boys and girls basketball teams of Hillside Park high school rung down the curtain on a successful 1940 season here Thursday night, March 7, when they took twin victories from Mary Potter of Oxford. The Hillside girls were avenging an early season defeat when they outshot the senior stars of Oxford 16-22 but the boys were merely repeating what has been happening all season. In running up this 75-43 count they scored more points than had been scored in any other game all season.

It was in the early seconds of the game that Tucker of Hillside dropped in a shot from the side of the court; this was followed by easy shots from Southerland and Carlton to bring the count to 6-0 as Oxford called the first time-out. After Carlton made good at free throw, Clement began the scoring for Oxford; then Carlton and Southerland tallied. At this point there was a slight let down in the Hornet defense and Davis and Turner slipped in two shots for the visitors. With the score at 18-8 at the end of the first quarter, Coach Cole of Hillside sent in an entire new team but this made no difference in the game. The new team continued the scoring and made the score 29-13 as the half ended.

It was the story in the third and final quarters as Tucker and Carlton set the pace with 16 and 19 points respectively for the 75-43 victory.

Every man on the Hillside squad went into this game as Oxford made a desperate attempt to find themselves.

In connection with this final game, the Hillside Athletic Committee sponsored "parents night" in their attempt to the parents of the players for the fine spirit of cooperation shown by parents and students all season despite the absence of athletic facilities at the Hillside School. A section was reserved for the parents of all players.

The boys' game started out to be a close affair with Rocky Mount leading by one point at the end of the first quarter (5-4). At this point Morrissey went into the Hillside lineup to replace Carlton but the visitors continued to score and Carlton returned to the game when the count was 9-4. He immediately sank two field goals which were followed by one from Tucker; then Southerland made the score 11-11 with a free throw. Southerland's field goal placed Hillside ahead for the first time in the game and from this point until the end, Rocky Mount never threatened their lead. At halftime the score read, 16-11.
