

## Bama State Topples Xavier 13 to 7

Montgomery, Ala., Scoring in the first and third periods, to lead 13-0, Bama State had to rally her defenses desperately to halt a strong Xavier rally which chalked up 7 points in the fourth in order to win 13-7 and topple the Catholic aggregation from the realm of the undefeated and duntied position at the top of the conference.

A fumble early in the game set back on their heels through deep in their own territory put out the balance of the first half. Xavier on the defensive almost from the start and the heavy Hornet starting lineup surging towards the Xavier goal only to be held for downs. The third such attempt was successful and Green went over from the 11-yard line on fourth down to place the Hornets in front. Mason's try for the extra was blocked by Saunders. The score remained 6-0 at half time with more powerful thrusts by the Hornets keeping the Xavierites

quarter Xavier's passing combination of Williams to Williams began to click and coupled with several running plays carefully worked in netted at Catholic touchdowns and had the fans standing in their seats at the end of the game as they threatened to score another. Grately scored the Xavier touchdown and also made the extra point on a fake line buck.

Leading the Hornet attack on the offensive were Green and Lundy, with excellent help from "Texas" Smith at quarterback. The entire Hornet line staged a grand defensive exhibition led by Sawyer, "Butch" Mason, Fato Jones, Griggs, Sullinger and Brown.

The game was an extra special feature of the onet home series featuring the return of stars of former years for the annual "A" Day ceremonies. A pregame attraction for the 3000 fans on hand was a four mile cross country run between teams of four men each representing

the two schools. The Xavier entry was coached by their great Ralph Metcalf, Olympic star, and the state team was under the leadership of equally renowned Dave Albritton also Olympic fame. Culp of Xavoier was a first and Leith of Ala. State second. Team scores were tied at 18 pts. each.

## Bears Hold Saints To A 6-6 Tie

Salisbury — In a Homecoming Game after a showy parade of beautiful floats, colored papered cars, brilliant drum majoring, and beautiful girls, the Livingstone Bears held the Saints to a 6-6 tie Saturday. The Bears received the kickoff and after futile line bucks, fumbled, and the Saints recovered on the 40. After an exchange of punts, the Saints took over on the 39. Then on a long pass, 29.

Johnson passed to Pullen, who later led to Locompte. But with only two yards a touchdown. The Saints made the mistake of having twelve men on the field as the touchdown play was made.

Immediately after an exhibition by the Livingstone drum majorette during the half period, the Saints took a punt on their own 9. On the next play Harrington skirted right and aided by spectacular blocking by Brinkley, raced 91 yards to score. The conversion was no good.

The next quarter the Bears began to roll. Following line bucks by Fraye and Booker passed to Weston for a touchdown. Their attempted conversion was no good.

The rest of the game was played in Saint territory and the game ended with the Bears taking a punt on their own

Philip Selgins, playing his third year of varsity football, displayed a brilliant game in tackle for the Saints.

## Elizabeth City Mars T. C. Homecoming

By John A. Fountain, Jr. Winston Salem — The Winston Salem Teachers College first annual homecoming game was spoiled today by the Elizabeth City State Teachers College Pirates. In a game filled with thrills and disappointments for the Teachers College Rooters, the Pirates romped completely over the T. C. Rams to win 11-0. The game featured the brilliant running, passing and outing of Captain Felton of the Elizabeth City team. However, the Teachers College eleven was not dismayed by the continued thrusts of their adversaries, and fought gamely until the end.

Elizabeth City's first score came in the latter part of the second quarter when the Pirates gained possession of the ball on Teachers College's four yard line. A penalty for too many men on the field placed the ball on the two yard line. The Rams struggled desperately to prevent a touchdown, but Felton went over the goal line on the fourth down.

The half time was enlivened by the presentation of Miss Celestine Faulkner, Warrenton, N. C. of the Junior class as "Miss Winston-Salem Teachers College. Her attendants were Misses Margaret Mitchell of Winston Salem, Clarise Foote of Winston-Salem and Vermont McBrayer of Shelby, N. C., representatives of the Sophomore, Senior, and Freshman classes, respectively. President F. L. Atkins of Teachers College presented Miss Faulkner with a large bouquet of chrysanthemums, and to each of her attendants a corsage.

## Facts Worth Note About The Draft

UNCLE SAM WANTS: 30,000 men by Nov. 18, 400,000 men by next March, 800,000 men by June 15. And so, at Washington, last Tuesday, was conducted the drawing of the master numbers for the nation's first peacetime draft.

President Roosevelt announced it was "for one purpose: the defense of freedom." Blindfolded, Secretary of War Stimson drew first number—158. Other dignitaries drew, and then the task of determining the order of calling up 17,000-

000 registrants was left to the Draft Director Dykstra's clerical force. About 9,000 numbers were drawn. Each number under 2-627 represented a man in each of 6,175 draft districts. Many districts had more, none had less than 2,000.

Draft boards must hustle now to get 30,000 men ready for the army by Nov. 18. By Nov. 7 the boards are expected to have questionnaires in the mail to holders of the first 50 numbers drawn.

If the estimates that only one in five registrants will qualify as Class 1A (fit and available), the first 650 numbers drawn must be called to supply the 800,000 men by next July. If 1940 manpower is equal to 1917, then one in three will be in Class 1A, and will require the calling of only the first 390 numbers. Approximately 130 men will be called from each district.

"We are at least six months ahead of our record in the World," declared Maj. Gen. C. H. Wesson, army ordnance chief, at Cleveland. He said private contractors "have taken hold," and that the six manufacturing arsenals have stepped up production nearly 50 per cent.

## Chemical Chef

Dr. Robert S. Harris of Massachusetts Institute of Technology has produced a food mixture which, he says, contains every vitamin except "C". The food would cost \$1.87 a person a year. The U. S. government has given the formula and it already has been sent to Britain.

## Household Hint

Spread water-thin slices of white bread with softened butter, to which chopped watercress has been added. Roll as you would a jelly roll. Pack in a container in the refrigerator. When serving, insert a sprig of watercress in either end of the roll.
