

MERRY CHRISTMAS TO ALL

VANITY SHOE CO.

To save the frequent embarrassment of congratulating acquaintances on engagements that have just been broken off, Punch, of London, is considering an up-to-date "Who's Whose".

The Irish Times (Dublin) gives a pertinent reason why the Irish enjoy living: It seems that the Enniskillen Urban Council very recently permitted a military band concert on Sunday, in aid of military charities, then refused the general public permission to attend.

Adolf Hitler, German dictator: "The war will be long, but the outcome certain."

Frank Knox, Secretary of Navy: "Peace depends on power."

Fiorella La Guardia, Mayor: "Get off your tails and get some work done."

Col. John H. Jouett, Expert: "We now have every reason to believe that an annual production rate of 50,000 planes will be reached sometime during 1942."

I am not only wishing all of you, my patrons, a Merry Christmas and a Happy and Comfortable New Year, but I'm standing by at your beck and call to help make this a Merry Christmas and to help make your household operation more comfortable, more efficient and more economical than ever.
