DONKEY SERENADE

Workers working everyday, Drive to work in a new coupe
Don't let them take it away,
When election day appears, Keep what you had for twenty years
Don't let them take it away.

JUST WHO ARE YOU VOTING FOR AND WHAT? . . . Since the president and vice president will personally take 230 thousand dollars of your tax money, it is time to start thinking what ballot box your vote will go this fall . . . The Prexy will get \$100 thousand in cold cash plus \$50 thousand tax free expense allowance plus \$40 thousand for travel and official entertainment . . . The Veep will get \$30 thousand cold cash and \$19 thousand for expenses incidental to Veeping . . . North Carolina has 14 electoral votes that you must throw to the Elephant or the Donkey.

WHAT KIND OF ANIMALS ARE THEY?
Dwight David Eisenhower . . . Abilene, Kansas . . . Was born in Denison, Texas on October 14, 1890 to David J. and Ida Elizabeth Stover Eisenhower . . . Dwight was graduated from the U. S. Military Academy, West Point in 1915 and commissioned a Second Lieutenant in the U. S. Army . . . He is a Protestant . . . On July 1, 1916, he married Mamie Geneva Doud . . . They have one son, Major John Doud Eisenhower U. S. Army. In his military career General Eisenhower advanced through grades to Lieutenant General in July 1942, and was made a full General in February 1943 . . . Promotion to General of the Army came on December 20, 1944. During World War II, he served as Allied Commander-in-Chief in North Africa, appointed Commanding General Allied Forces of European Theater of Operation in 1943 and then Commander of U. S. Occupation Forces in Germany in 1945 . . . He served as Chief of Staff, U. S. Army, from November 19, 1945 to February 7, 1948 . . . General Eisenhower retired temporarily and on June 7, 1948 became President of Columbia University . . . In 1950 he took a temporary leave of absence from Columbia to become Supreme Allied Commander of the North Atlantic Treaty Organization which position he now serves . . . General Eisenhower's legal residence is now Columbia University, New York . . . His foreign policy is basically the same as Democratic nominee Governor Stevenson, which means their campaign battles will be fought on domestic issues . . . He favors state enforced FEPC . . . We will give a thumb nail of another candidate next week.

HOW OUR REPRESENTATIVES VOTED . . . North Carolina gave 24 votes to Russell 7 1-2 to Stevenson, 1-2 to Barkley on the third ballot . . . Included among those voting for Stevenson were Governor Kerr Scott, Jonathan Daniels, Erwin Carlyle, Vance McGurk, Mrs. Harry Cardwell and Mrs. D. A. McCormick. Among those voting for Russell of Georgia were Sen. Willie Smith, Frank Taylor, Sen. Hoey, Ex-governor Cherry's alternate and Mrs. O. Max Gardner . . . Barkley's 1-2 vote came from H. V. Taylor . . . Use this paragraph for what its worth to you . . . It appeared that the old folks are on their way out at the convention . . . Utah changed its 12 votes to nominate Stevenson with 625 and Minnesota moved that the whole convention make it unanimous, and that was a farce says Kefauver.

BEHIND THE AMPHITHEATER . . . Dr. Walter Johnson a professor at the University of Chicago and Leo Lerner (a Publisher) set up amateur campaign headquarters for Steve in January with three rooms and one worker in the Conrad-Hilton Hotel and they ended up with 14 rooms on the 15th floor spending only \$12 thousand for the man who ended his acceptance speech with "I shall try to do Justice, Love Mercy and walk humbly with my God" . . . Old Jim Farley worked hardest for him on the floor behind scenes . . .

QUESTION OF THE WEEK . . . Do you have major virtues and minor vices, or do you find it more interesting to have no minor virtues and no minor vices? . . . Cousin Frank . . . Logan Building . . .

world of sin and evil? How can you be fearful when you have faith in the meaning and purpose of the universe? Yes, there is forgiveness in a world of sin and guilt. There is peace of soul. It is found when men have the right relationship with God and man. Men become fearful when they are not in harmony with God and man. Men become fearful when they sin against God and mistreat their brother. Then, the reasonable conclusion seems to be that there is but one thing to fear in this world and it is SIN. Faith in and obedience to God is the greatest safeguard against the paralysis of destructive fears. Men and women have achieved this blessed state of freedom from undue and unnecessary fears. How? They took God at his word. Education, wealth, arms, armies and navies can't give it. Billions for bigger and better weapons can't banish our growing fears. It is a fact that the bigger the weapons the more intensified our fears become. There is no escape from our fears until we walk in the path of the Divine will.

Chesterfield In Both Regular And King Size Now On Sale In Durham

Liggett & Myers Tobacco Company announced today (July 25th) that Chesterfield was now available in both regular and king-size in Durham. The new king-size Chesterfield is exactly the same in all respects as the popular standard Chesterfield cigarette except for its larger size (21 per cent longer). It contains tobacco of better quality and higher price than any other king size cigarette.

Chesterfield, in both regular and king-size, went on sale in New York and Boston five weeks ago, and thus became the first cigarette in America to offer premium quality in two sizes. The WALL STREET JOURNAL, after checking both wholesalers and retailers in these communities reported the "There is an extraordinary demand for Chesterfield in both sizes," and TIME magazine stated that "the new king-size Chesterfield, with-

out making any visible dent in the sales of its shorter brother, quickly ran up king-size sales in these markets" thus testifying to the ready acceptance of Chesterfield in both sizes by smokers.

The authoritative U. S. TOBACCO JOURNAL seems to think that king-size Chesterfield will be important to the tobacco grower as well and said recently, "It is certain that the new size will perform an important function in demonstrating the effectiveness of an entirely new principle in the cigarette trade . . . by providing smokers with alternative smoking preferences . . . in a brand they already strongly support and the innovation may assure tobacco farmers of a continuing market for premium quality tobaccos at top prices — a market which might contract if the trend in present king-size cigarettes is continued."

Mrs. Charlotte A. Bass Opens Campaign For Vice-President On Progressive Party Ticket

New York — Charging that neither of the two "old parties" will act on the demands of the Negro people for civil rights legislation and representation in government, Mrs. Charlotte A. Bass, this week opened her campaign for the vice-presidency of the United States on the Progressive Party ticket with a seven state speaking tour of the Midwest.

"No matter what the purpose of the Democratic Party may be," Mrs. Bass said, "the record of the Truman administration shows that those will be only hollow and empty pledges—and the Republicans have not even bothered to take a stand on special civil rights issues." Mrs. Bass, who is the first Negro woman ever to be selected for such a high office by any political party will speak throughout her tour on the Progressive party's platform of "peace, freedom and security," will explain her position that the "cold war hysteria" pre-

Disabled Veterans May Get A Chance To Publish Their Songs

Disabled veterans with a flair for song writing will get a chance to publish their song in a song writing contest to be conducted in all Veterans Administration hospitals by a group of publishers affiliated with Broadcast Music Inc.

The three top winners in the hospital contest will have their songs published by publisher-members of the BMI group.

In addition, the first 25 prize-winners will share a total of \$1,325 in U. S. Savings Bonds. BMI publishers, cooperating with VA Special Services in the contest, include Acuff-Rose Publications, Broadcast Music Inc. in Duchess Music Corporation, Hill and Range Songs, Inc., Hollis Music Company, E. B. Marks & Company, Mellin Music Company, Peer International Corporation, Sheldon Music, Inc., and Weiss & Barry, Inc.

Copies of the published songs will be sent to all VA hospitals, for use in connection with Special Services music programs for patients. The songs, however, won't be plugged commercially. Contest judges, whose names haven't yet been released, will include some of the best known figures in the music industry. The \$1,325 in U. S. Savings Bonds will be awarded to 25 winners. First prize winner will get \$250 in bonds; second prize, \$150; third prize \$100; eleven awards of \$50 bonds, and eleven prizes of \$25 bonds. To be eligible for the contest, a patient must have been in a VA hospital for at least 30 days prior to the time he submits his entry. Only original, unpublished songs will be accepted. Volunteer workers in hospitals will be permitted to help only to the extent of writing down words and music for patients so severely handicapped that they can't do it themselves. The BMI-VA contest gets under way September 15 and will run until November 15. Contest winners will be announced some time after the contest has ended.

North Carolina Older Youth Tour Virginia

Raleigh—Sixty-nine young men and women and leaders from Wake and Person Counties staged their Annual Educational Tour in Tidewater Virginia recently. The two-day tour was made by chartered busses from Raleigh and Roxboro.

Interesting places visited on the tour were Williamsburg, Virginia where the group was escorted by a guide who took them through the historical area; Hampton Institute where they were greeted by John W. Mitchell, U. S. Field Agent and former State Agent for North Carolina and Major Brown, Public Relations Director at Hampton.

On the morning of the second day the group assembled in Ogdenville Hall at Hampton where they received greetings by both Mr. Mitchell and Major Brown. Following the assembly the group was taken on a tour of the physical plant of the Institute.

After the campus tour the remainder of the day was spent at Bay Shore Beach. It seemed evident that this was one of the most enjoyable tours the group has experienced.

Since 1948 the young men and women have toured such interesting places as Washington, D. C.; Skyline Drive, Va.; Luray Caverns, Va.; and Seaview Beach, Va. In 1949 a delegation of 223 was the guest of the Guide Publishing Company of which P. B. Young, Sr. is president.

Accompanying the Older Youth members on the educational tour were C. J. Ford and Annie Mae Tuck of Roxboro, W.
