"Respect For The Living And Reverence For The Dead"

AMBULANCE SERVICE FUNERAL DIRECTORS 24 - HOUR SERVICE - 24

Dear Friend:

As you know, we have had many years experience with burial and funeral plans. Everyone realizes that the Burial Association is not enough to properly cover funeral expenses. So since we have had so many requests from our people, we are proud to announce that there has been perfected a funeral expense plan that is believed to be the best and lowest in cost ever offered by anyone anywhere.

All benefits are paid in cash to the beneficiary you name. Small premium payments can be made quarterly or annually. The usual amount of insurance is \$500 for each member of the family but can be for a larger amount in certain cases. There is also a \$250 plan. Recently legislation was passed which permits us to write \$200 in the Burial Association or add \$100 to an old burial certificate. This can only be done at your request, and the \$100 is still good if you do not want to add to it.

All we ask is an opportunity to send rates and full information. Just call the above numbers.

Sincerely yours, W. A. AMEY

Plans Made To Replace Old Nursing Home

Plans are now being made to replace the present Friendship Nursing Home on Depot Street with a modern one-story concrete-block structure, according to an announcement from W. C. Allen, president of the Nursing Home's Board of Management.

ASHEVILLE

In addition to Allen, other members of the board are: Rev. H. B. Loquist, O. B. Keby, Mrs. Betty Avery, Mrs. O. B. Keby, Mrs. Jennie Allen, Mrs. Ethel Riddle, Dr. H. K. Harrison, Rev. T. M. Moore, Mrs. Mamie Robinson, Mrs. Minnie Brady, Rev. L. A. Brown, Rev. J. W. White, Robert Forney and Rev. Wesley Grant.

A full-scale drive for funds is awaiting the acquisition by the board of a suitable site. A track of land in the vicinity of Victoria and Oakland Roads is being considered as a possible site for the new structure. The proposed building would accommodate 48 to 50 persons. The present two-story wooden structure now houses some 23 aged persons, both male and female.

The Friendship Nursing Home was established in 1945 at its present location as a non-profit organization managed by a group of both white and Negro citizens.

The present building has been declared as unsuitable due to its wood construction, and as such, does not come up to the state's requirements for such homes.

Although a non-profit organization, the Friendship Nursing Home does not receive any direct support from the public welfare department. However, most residents of the home do receive support from such public funds.

Board president Allen stated that although no campaign for funds has yet been launched, contributions will be accepted any time prior to an intensive campaign which will be conducted once property on
