The Coming trip to Florida on December 28. Every one is looking forward to this with great enthusiasm. The Sorority has chartered a 41-passenger bus, and approximately 30 will be making the trip. This trip is open for members and friends.

The Sorority is the brainchild of Dr. Mary McLeod Bethune, founder of Bethune-Cookman College, and is a national organization. Each Chapter makes a contribution yearly to the foundation at the National Convention.

The Sorority was the first to contribute to the Bethune Foundation and the amount they gave was \$3,000. To date, the organization has given a total of \$3,000 to the Foundation.

The Dobbs Training School in Kinston is also a supporter and, as a state project, makes an annual contribution to the foundation.

A special invitation has been extended from Dr. Bethune to visit her beautiful Vista-Volusia Beach. She will be present to personally welcome the guest to the college campus, where ac-

commodations have been made for spending some time by the College President, Dr. Richard V. Moore. From this point on to Miami, the trip will afford much in the way of sightseeing.

After a wonderful party, the hostess served a delicious repast; and gave each member a gift. Then the group departed for Raleigh and a meeting with the Delta Chi Et Chapter.

The members there were just as excited, as most of them will be making the trip. Members from the Chapter in Rocky Mount will also be going.
