Mr. Hughes was graduated from Lincoln University in 1952, and is now a senior at Meharry Medical College.

The bride wore a dress of Atique white taffeta made along princess lines. It flowered into a wide chapel train. The bateau neckline was trimmed with Alencon lace, and this same lace formed the tiny puffed sleeves. She wore a finger tip veil of illusion and carried a prayer book.

The colors of the bridesmaid's dresses carried out a fall theme. The maid of honor wore a gold taffeta dress and carried bronzed colored chrysanthemums. The bridesmaid's dresses were of flamingo taffeta, and they carried yellow chrysanthemums.

Miss Carol Hughes, a niece of the groom was the flower girl. She was dressed in white. John Yergan, a nephew of the bride was ring bearer.

The bride's mother, Mrs. Yergan, wore a dress of

French blue silk peau de soir. She also wore light blue accessories. Mrs. Hughes wore a dress of beige taffeta with pink accessories.

After a wedding trip to Atlantic City, the couple will go to Greensboro, N. C. where they will be given a reception by Dr. and Mrs. Walter Hughes on September 18. After this they will establish residence in Nashville, Tenn., where the groom is in medical school.

**CLEVELAND, O.**  
If the Indians make it to the heap of the American League contenders, it can be due greatly to the resurgence of one Larry Doby. Larry is just about the hottest thing around --winning ball games personally in the ninth and tenth innings--like the two run homer against the Baltimore Orioles in the tenth. This last feat was Larry's seventh homer in seven games.

Interment was in Beechwood cemetery.

## 44 Gridiron Candidates, Including 10 Letter Men, Report At Hampton

**HAMPTON, Va.**—Forty-four candidates have reported for the 1955-56 gridiron season with the Hampton Institute Pirates, Coach Harry R. Jefferson announced Tuesday.

The 10 returning lettermen included are led by Pirate Captain, Fletcher Battle, a senior from East Chicago, Ind. Field practice shows that the Pirates will continue to use the multiple offense system, a combination of the "T" and Single-wing formations. It also reveals, however, that the Pirates' greatest problem this season may be in defense and in the light weight of their line.

What "Jeff" considers the brightest hope in freshmen has come to the team this season. All 19 of these recent high school graduates have been judged as above average by the Hampton coaching staff.

Seven freshmen linemen, weighing from 185 lbs. to 220 lbs. show good promise. Teamed with the Pirates' five veteran

linemen, these should help the team solve the weight problem.

The Institute's coaching staff, searching diligently for more kickers and younger kickers, sees unusual promise in Herbert Bailey as a top contender for this performance in the fullback position. Bailey, from Suffolk, gained press praise last year as a player with the Voorhees Junior College team (Denmark, South Carolina). He is eligible for two year's of service with Hampton. Good kicking performance has also been shown by Harvey Amos, of East Orange, New Jersey. These two prospects might return Pirate kicking to the backfield this season.

Summing up practice observations, Coach Jefferson shows more optimism than usual over the general condition of the Pirates, and is especially impressed with their moral spirit, physical stamina, and their natural abilities for the game.

## Standing Firm Despite Harassments

**NEW YORK**—Despite economic pressures, threats and other harassments, the vast majority of petitioners for elimination of segregation in the public schools in compliance with United States Supreme Court rulings are standing firm, reports received at national headquarters of the NAACP indicate.

Some of the weaker and more vulnerable petitioners have asked to have their

names withdrawn, the National Association for the Advancement of Colored People conceded. However, the overwhelming majority have refused to yield under pressure of organized white groups. In Clarendon County, S. C., site of the original public school segregation case on which the Court ruled on May 17, 1954 and May 31 last, only five of more than 100 petitioners have asked to have their names removed.

Thurgood Marshall, NAACP special counsel, points out that letters of withdrawal received from the Clarendon petitioners are all very similar in text being written in proper legal phraseology, although the formal training.
