EASTERN ALL-STARS DEFEAT WEST GRIDDERS, 15-0, IN FIRST HIGH SCHOOL SHRINE BOWL TILT

by Lindsey Merritt

The Eastern All-Stars defeated the Western All-Stars 15-0 last Saturday in the N. C. Shriner's First Youth Bowl Game held at the Durham Athletic Park before an estimated crowd of 3200 fans.

Under a warm sun, for the month of December, the Easterners, whose T formation attack was led by quarterback Leander Green of Georgetown High School, Jacksonville, scored two touchdowns and a safety for all the day's scoring.

Midway the first quarter with the Western team in possession on the Easterner's 15 yard line, Eastern fullback Walter Browning of Ligon High, Raleigh, intercepted an aerial from Reginald Pryor of West Charlotte High and sprinted for 64 yards to the West's 21 before being stopped by Nathaniel Brown of Dudley High, Greensboro.

On the next play from scrimmage, Rossie Garfield of Green County Training School, Snow Hill, raced all the way around his own left end for the first TD of the afternoon. Browning's PAT was blocked by Herman Reese, Western tackle from William Penn High of High

Point.

In the second quarter, the ball alternated between both teams repeatedly without either team yielding much yardage to the other. Excellent punting by Reginald Pryor of the West and Browning of the East kept each team backed up deep in their respective territories.

Late in the second period with the Easterners in possession, Emmett Tilley, Hillside ace of Durham, alternated with Barfield in accounting for short gains for Coach Peter H. Williams' stars. On the fourth down, Browning punted for the East deep into the West's territory for 42 yards. The punt was returned by Nathan Brown of Dudley High for 6 yards.

On the next play, Browning was thrown for a 13 yard loss in his own end zone by Charles L. Hubert, East center from Ligon High, Raleigh, and the Easterners added 2 points for the safety.

The half ended with the Eastern All-Stars leading the Western All-Stars 8-0.

The third tally of the evening came after a series of passes by Green. On a short flat pass, Green connected with Browning

for 4 yards which placed the ball on the mid field stripe. Barfield, Green County Training School ace flankman, gathered in a Green aerial on the 30 and raced to the two yard line of the Westerners before he was brought down from behind by William Adams, Atkins High halfback.

The West's linemen held valiantly for three plays before Browning crashed over from the 2 yard line for the final TD. Browning's PAT was good, giving the All-Stars from the East a 15-0 advantage midway the fourth period.

In an announcement from headquarters at Miami's Carver Hotel, representatives of the Atlanta sports club early last Saturday morning revealed that Patterson had been wired word of his selection along with compliments "on his having become the youngest person in history to attain the coveted title which he won recently." Patterson was Olympic middleweight champion in 1952.

Morgan Five Defeats Union By 81-70 Score

BALTIMORE, MD.

Coach Hill's Morgan State Bears played their first home contest of the season in the Hurt Gymnasium here, and battled through to an impressive 80-71 decision over the Panthers of Virginia Union University.

The game was rendered more colorful by an unusually fine pregame inaugural and a dance group presentation at half-time. The first ball was tossed out by Roy Cragway, president of the Varsity "M" Club.

The Panthers got away to a

two-point lead, only to have the Bears knot the count at 2-2 on a floorshot by Charley Brightful. A set shot by Junius Pretty regained the lead for the visitors, 4-2. Aaron Johnson found the range for the locals for a 4-4 tie, after which the Panthers went back out in front and pulled away to an advantage of 14-6. Repeated sniping by Brightful, Allan Moore and Gene Hudgins cut down on the deficit until the teams were even at 17-17. Once more Union moved out in front, but timely shots by Rozier and Johnson produced another tie, 23-23 at the end of the first ten minutes of play. Approximately two minutes later, a floorshot by Moore put Morgan in the vanguard, 29-27, and the Bears were never headed thereafter.

At halftime Morgan led, 41-34. The teams were furthest apart at 12:07 of the second period with the Bears sporting an eleven-point advantage of 54-43. Largely due to the scoring efforts of Junius Pretty the Panthers were but four lengths in arrears, 64-

of the U. S. team. His coach, the eternal optimist and undaunted by the failure of the first fund drive, thought that this time the homefolks would be so impressed with his boy that they would send the coach to Australia, too. So he returned to Durham, hied himself about here and there to various club meetings, discussing track, Lee, the U. S. team and showing films. At the end of such gatherings, someone would politely drop the hint that it would be nice for the coach to go to Australia.

The long weeks of September faded into October without the faintest ripple of a movement to send the coach to Games. Finally, time came for young Lee to be off for the

Olympics and still no action. Once again, in the midst of his greatest triumphs, Walker found himself alone and eventually, the realization broke in upon him that he would have to stay in Durham, denied the one big thrill of any coach's career, the chance to see his best pupil against the world.
