SALISBURY HIGH SCHOOLS WINS A&T PLAY DAY

GREENSBORO—A team of girls from Price High School, Salisbury, took first places to cop top honors last Saturday at the annual North Carolina High School Play Day at A. and T. College.

The group took easy wins in softball and table tennis to best the 11-team field.

Other winners in the day's activities included: Greensboro, Dudley High School, volleyball; West Charlotte High School, Charlotte, tennis, edging Dudley in the first round and whipping Booker Washington High School of Rocky Mt. in the finals, and the Pleasant Grove Union High School of Burlington, took first place honors in a series of relay races.

GREENSBORO — Addresses by two former college presidents will feature the 88th commencement program at Bennett College.

Dr. F. D. Patterson, former president of Tuskegee Institute, Tuskegee, Ala., and now president of the Phelps Stokes Foundation of New York City will deliver the baccalaureate address on Sunday, June 4. The following day, Dr. K. I. Brown, retired executive director of the Danforth Foundation of St. Louis, Mo., will give the commencement address.

Both events will be held in Pfeiffer Chapel, the baccalaureate program at 4 p.m. on Sunday and the commencement exercises at 10:30 a.m. on Monday.

In addition to being chairman of the Bennett College board of trustees, Dr. Patterson is also trustee of Tuskegee Institute, Hampton Institute and the Phelps-Stokes Fund. He is a former trustee of Fisk University.

Commencement activities will begin here on Friday, June 2, when Class Day exercises are held at 3 p.m. That night, at 8 o'clock "Antigone" will be presented on the terrace of Pfeiffer Chapel.

On Saturday, following the meeting of the Bennett College Graduate Association, the annual All-Bennett Luncheon will be held. At 8 p.m. the annual choir concert will be heard to be followed by campus illumination. Preceding the baccalaureate program, meetings will be held by the National Council of Bennett Parents and Alpha Kappa Mu Honorary Society.

Sunday night at 8 o'clock, the President's Reception will be held at the President's Home.

King Sees Rise of McCarthyism in Conviction of Two Who Refused to Answer House Probers

ATLANTA, Ga.—The jailing of Carl Braden and Frank Wilkinson for contempt of the House Un-American Activities Committee is a sign "that McCarthyism is on the rise again," Dr. Martin Luther King, Jr. declared in an interview here.

He said Braden is "being punished for his integration activities" and asserted that the House Committee "should not be used to thwart integration." He also said he favored abolishing the Committee.

Dr. King, who is president of the Southern Christian Leadership Conference, gave his views in an interview with the Atlanta Journal after Braden and Wilkinson surrendered here to begin serving their one-year sentences.

Both men were questioned about their beliefs and associations at hearings of the Un-American Activities Committee in Atlanta in 1958, and Braden was asked about his activities in the integration movement.

They refused to answer, taking the position that the questions violated the freedom of speech and association guaranteed by the First Amendment to the U. S. Constitution.

The U. S. Supreme Court upheld their convictions for contempt in 5-4 decisions.

The minority justices wrote dissents in which they said it seemed that Braden was called before the Committee because of his integration work and Wilkinson because of his activity in organizing opposition to the Committee.

Braden is field secretary for the Southern Conference Educational Fund, and Wilkinson, a civil liberties leader, is field secretary of the National Committee to Abolish the Un-American Activities Committee.

In the Atlanta Journal interview, Dr. King discussed the petition which he and 16 other Southern leaders have initiated asking President Kennedy to free Braden by executive clemency. He said:

"We are not upholding communism in any way... But we

nonists have failed." He said the rise of McCarthyism in the South again because all other weapons of the segregationists have failed.

Dr. King said he endorsed the minority opinion of the Supreme Court in the two contempt cases and added:

"We agree with Mr. Justice Hugo Black in his dissenting opinion which said that if the Com-

mittee has unlimited powers will misuse them.

Braden was called before the Committee simply for his integration activities. We think that if the Un-American Activities Committee is to have the power to subpoena everyone they will misuse the power to stand in the way of integration."

It seems to me that gloves are the spice of a costume. Shall they be short or long with summer's nearly sleeveless styles? Shall they match or contrast? Here's a suggestion: with the low-bloused, easy-skirted straight-from-Paris silhouette, wear the 8-button length color-matched to your dress.

Final Rites Held For Veteran Math Instructor at Spelman College

ATLANTA, Ga.—Funeral services for Mrs. Georgia Caldwell Smith, head of the department of Mathematics of Spelman College were held at 11:00 a.m. on Tuesday, May 9, 1961 at Friendship Baptist Church in Atlanta.

Mrs. Smith, a native of Kansas City, had been a member of the Spelman faculty from 1929 (1938 and from 1945 to the present. She received the A.B. degree in mathematics from the University of Kansas with election to Phi Beta Kappa and Pi Mu Epsilon. She also received the Master of Arts degree in mathematics from the University of Kansas before coming to Spelman College her first teaching position. Subse-

quently, she studied toward the degree of Doctor of Philosophy at the University of Minnesota and at the University of Chicago on a grant from The General Education Board, and participated in the Institute for Teachers of College Mathematics sponsored by the National Science Foundation at the University of Kansas during the summer of 1957. In 1959, Mrs. Smith was designated as a National Science Foundation Faculty Fellow. This enabled her to work toward the Ph.D. degree at the University of Pittsburgh. This degree was awarded to her at the end of the first semester of the 1960-61 school year.

"I'm The New Man On The Team"

... and my pop has gone to bat for me with a North Carolina Mutual Educational Policy—The surest and soundest way to prepare for college expense."

Under this plan, Pop will be able to pay for my college education over a period of about 18 years instead of 4. If you go to bat immediately, you can do the same for the littlest leaguers in your family by investing in a North Carolina Mutual Child's Educational Endowment Policy. The North Carolina Mutual man can help you work out a plan which will

pay cash when your child is ready to enter college. He can also make special arrangements so that if Pop is taken out of the picture, Mom will have to make no further payments. All benefits, of course, will remain the same. Why not call the nearest Mutual Man for complete information.
