**Three More Desegregate**

NEW YORK — Three additional Howard Johnson restaurants all in the Shenandoah Valley of Virginia have desegregated. So reports Gordon Carey, CORE Program Director, after test teams were served without incident. The restaurants are located in Front Royal, Harrisonburg and Waynesboro.

All three are franchised rather than company owned. It is with the franchised restaurants that CORE is having most difficulty in completing its Desegregate - Howard - Johnson's campaign.

CORE is still conducting periodic negotiations at Howard Johnson headquarters here.
