

Winning Combinations

The most applauded performance of the IX Winter Olympics at Innsbruck, Austria, was the sister act—on skis—put on by Christine and Marielle Goitschel, sturdy innkeeper's daughters from Val d'Isere, France.

In their first Alpine event, the slalom, Marielle, 18, came in second to Christine, 19. Two days later, in the giant slalom, Marielle went out to win or else. She pulled out all the stops in a daring run and this time she got the gold medal. Christine came in second in a tie with Jean Saubert of the U.S.

The ski season is once more underway all over the world, and the favorite chill chaser in ski lodges and cocktail lounges is a Broken Leg. This hot new winning combination is a favorite of Al Fernandez, owner of Manhattan's Beef & Bourbon Restaurant, 38 Street and Madison Avenue.

Here's his recipe: Start with a smile. Pour 1 part Old Crow Bourbon Whiskey (1 1/2 oz.) into mug, add three parts hot apple juice, four raisins, cinnamon sticks, slice of lemon and stir. If you like your whiskey straight, just take a handful of snow and add a jigger (2 oz.) Old Crow. Cheers!

Delaware State's Strong Signs With Colts

DOVER, Del.—Jimmie Strong, a gridiron star at Delaware State College, has signed to play with the Baltimore Colts for \$9,500.

Strong is a halfback from Atlanta, Georgia, who also punts and plays safety. He is 5 feet 11 inches tall and weighs 195 pounds. The Colts are interested in him mainly as a punter and safety man. It was revealed that a scouting report on him showed that he made 21 tackles in one game.

His signing of the contract means that he will pass up baseball this spring. He was a veteran third baseman for the Delaware State Hornets.

The signing of Strong gives Coach Roy D. Moore of little Delaware State College two contributions to professional football in two years. Last June, DSC's Alphonzo Lawson signed after baseball season had ended with the New York Jets where he is now playing a flanker position.

Floyd Patterson Decisions George Chualo In Garden Fight Monday

NEW YORK—Former heavyweight Floyd Patterson weathered a heavy body bombing by George Chualo of Toronto, Canada and moved closer to a third-term at the crown by out-punching the sturdy Canadian on a unanimous decision in twelve rounds before a standing-room only crowd at Madison Square Garden Monday night, February 1.

The bully-boy Chualo, a body puncher with a at-tat-tat, kept slamming away at the ex-champion's ribs all through the encounter.

Floyd, fighting desperately in an attempt to erase the memory of two humiliating knockouts by Sonny Liston, punished Chualo with his quick punches to the head but was unable to floor the Canadian.

The AP card had Patterson on top 9-2-1. Judge Joe Armstrong scored it 9-4. Judge Tony Castellano, 7-5 and referee Zach Clayton, 6-5-1, all for the former title holder.

In the background Clay, who was doing the closed circuit TV commentary, was heard shouting, "You've got the title shot, Floyd, you've earned it."

Glass and Lenward Simpson, Wilmington, North Carolina, now attending Hill High School, Pottstown, Pennsylvania on a scholarship, are the top players in the Junior Development Program and won the A.T.A. Men's Doubles in 1964. "Whirlwind" Johnson anticipates that they will be one and two in the A. T. A. Men's Singles before 1965 is over. Simpson is rated Number 4 in the A. T. A. Men's Singles ranking while Glass is ranked Number 14. The two players are one and two in both the Under 16 and Under 18 rankings.

Bonnie Logan is the Women's Singles Champion with her teammate, Sylvia Hooks, now a Freshman at Central State College, ranked Number two. The two teamed up to win the Women's Doubles Championship giving the Juniors a strangle-hold in three of the four winning adult events, and they anticipate not only winning everything, but to hold the Number two spot in each singles.

Winston-Salem was successful with 35 out of 84 goal attempts and 29 of 25 free throws, while the Eagles scored on 33 of 93 and 13 of 18 respectively.

Saturday the Eagles will test arch-rival A. and T. College in McDougald Gym.

W-S State Rams Deal Eagles Second Defeat

The Winston-Salem State College Rams defeated North Carolina College for the second time this season, 90-79, Saturday, Jan. 30 in McDougald Gymnasium after surging forward from a 45-38 halftime lead.

Last December, in the N. C. Classic Tournament in Winston-Salem, the Rams—fourth ranked small college team in the nation—turned back NCC 68-59.

Saturday's pacemaker was the Rams' Vernon Monroe who tossed in 25 points, leaving NCC's Ted Manning to take second place with 24.

Throughout the first half the teams scored almost point-for-point until the clock showed 4:10 to go when the Rams broke away from a 31-all tie to lead for the remainder of the contest.

In the opening moments of the second period Coach Floyd Brown's charges mustered forces, and with 16 minutes left to play, were within three points—53-50, of the Rams, but never got closer.

For much of the second stanza the Eagles were without the services of starring guard Albert Conner, who fouled out, but not before adding 13 tallies to his team's total. Paris Lenon also racked up 13 for the Eagles.

Other individual leaders are also basking in comfort at the moment with no immediate danger.

Boston Celtics May Top Last Year's Victories In Basketball Race

NEW YORK—Boston, despite the fact that its consecutive game winning streak was stopped by Philadelphia in Syracuse last Saturday night, figures to establish a new game record for the League, if the club continues to play at its current pace. Running along at a 8.40 percentage as a result of 42 wins against 8 losses, the Celtics, if they keep traveling at this rate, will go over their 1961-62 League record of 60 wins against 20 losses. If they hold to a .838 percentage, they would end the season with a 67-13 record.

With twenty-one rookies, the highest number in any given N. B. A. season, playing in the League, two, Willis Reed of New York and Lucius Jackson of the Philadelphia 76ers, are making their presence felt in the scoring columns. Reed, with a 17.4 scoring average, is among the top 20 scorers and is 7th among the rebounders with 665 retrieves for a 14.1 per game average, while Jackson is 6th among the rebound leaders with 683 caroms for a 15.5 per game average.

Wilt Chamberlain tailed off in point production last week, dropping to a 37.5 average, after hitting at a 38.9 clip the previous week. His two runners up, Oscar Robertson of Cincinnati and Jerry West of Los Angeles, also dropped slightly from their 30.0 averages to 29.8 and 29.7, respectively. Chamberlain has 1539 tallies to 1311 and 1307 for Robertson and West.

Other individual leaders are also basking in comfort at the moment with no immediate danger.

Baltimore's Walt Bellamy continues to make over 50% of his

floor shots with a .511, canning 455 out of 891 attempts, while Terry Dischinger of Detroit, Bailey Howell of Baltimore and Jerry West of Los Angeles also are making more than 50% of their field goal attempts. Dischinger and Howell are batting at .505 while West is at .503.

Larry Costello of Philadelphia continues to top the foul shooters with 172 out of 194 for a .887 percentage. Adrian Smith of Cincinnati has .860 to maintain his second place position among the free throwers.
