Young America Bakes— Cheese Pimiento Rolls

fall supper party, after a trip to the beach or lake. The rolls will rise while the young hostess prepares the rest of the meal. Luscious color and a very special flavor are added with sharp Cheddar cheese, pimiento and green pepper. The imaginative girl will probably want to try them next time with another flavor of cheese and chopped chives in place of the green pepper.

CHEESE-PIMENTO ROLLS

- 3/4 cup milk
- 1/4 cup warm water (105°-115° F.)
- 1 package or cake Fleischmann's Yeast, active dry or compressed
- 3 1/2 cups unsifted flour
- 1/2 cup (1 stick) Fleischmann's Margarine, softened
- 2 tablespoons sugar
- 1/2 teaspoon salt
- 1 egg
- 1/4 cup grated sharp Cheddar cheese
- 2 tablespoons chopped green pepper
- 1 tablespoon chopped pimiento

Scald milk cool to lukewarm. Measure warm water into large warm mixer bowl. Sprinkle or crumble in Fleischmann's Yeast; stir till dissolved. Add milk, 1 cup flour, Fleischmann's Margarine, sugar, salt and egg. Blend at low speed; beat 1 minute at medium. Dough will be very soft. Add remaining flour, grated cheese, chopped green pepper, and chopped pimiento; beat 1 minute. Spoon into 12 greased muffin cups. Cover; let rise in warm place, free from draft, until doubled, about 1 hour. Bake in hot oven (400° F.) 15 to 20 minutes or until golden brown.

Easy To Do—Delicious To Eat

Beginning cooks choose recipes with a double standard: finished dishes should look complicated, but should be easy to do. Teenagers need to be inspired to continue their newly-found interest! Batter breads and rolls fill the bill perfectly. They are certainly impressive and really take very little effort to prepare. What young girl wouldn't be inspired when her friends rave about her freshly-baked yeast rolls!

Cheese-Pimiento Rolls save precious time, for just one rising is necessary—after the dough has been spooned into muffin cups. These would be ideal for early
