Ted Manning Looms as All Time Scoring Star for NCC

Ted Manning, entering his senior year at North Carolina College, will have his eyes set on a new career scoring record for the institution in basketball. Besides his scoring responsibility, Manning will double as captain of the 1965-66 aggregation for the Eagles.

for NCC last year when he tallied 732 points in 25 games and made an average of 29 points per game best in the CIAA. For this achievement, Manning was named to the All-Conference team. Manning commences his last year only 187 points shy of Sam Jones' four year record at NCC. Jones, now a super star for the Boston Celtics, scored 1,770 points in his four-year stay at the school. After three years, Manning, a graduate of Carver High in Baltimore, has hit the hoops for 1,583 in 76 games for an average 20.8 per game.

Jury Gets Case In Slaying

A Superior Court jury deliberated for two hours before reaching a verdict in the murder case of Durham sailor Robert Gordon O'Neal. The jurors were due to resume their consideration of the case in mid-afternoon. Jurors took the case at about 11:30 a.m. after Judge William Y. Bickett of Raleigh charged them to return one of three verdicts: Guilty of second-degree murder, guilty of manslaughter, or not guilty. O'Neal, 21, is accused in the pistol slaying of Navy petty officer Robert S. Chestnut, 27, who was visiting at the home of O'Neal's parents when he was shot early on the morning of Jan. 1. He died Jan. 23 at Walla Hospital.

The number one goal for Manning this year will not be to set a new scoring record for the Eagles but to better the Eagles' 11-14 record of a year ago. Coach Floyd Brown, beginning his 14th year as head coach at his alma mater, said the inexperienced team of 1964-65 will mature this season. Manning may top the four scoring mark of one of the Atlantic Coast Conference's all time "greats," Billy Cunningham of the University of North Carolina.

scoops was highlighted by first half mistakes and the strong running game by the Easterners in the second half. A total of nine fumbles, six by the West, occurred in the game.

A strong defense by the East led by Hillside's Jackie McNeil and Wilbert (Bobo) Watson limited the West to minus two yards on the ground. As a result of the East miscues in the initial half, the West had several scoring opportunities but the charge of the East defensive line halted the threats.

Oscar Polite from E. E. Smith spearheaded a second half ground attack for the East which was too much for the West. Polite broke through the middle and rambled 30 yards for the East's first score with 3:17 left in the third period. Bill White kicked the extra point to give the East a 7-0 lead.

The East coached by Harry Edmonds and T. O. Lofton, scored two touchdowns in less than two minutes late in the same period. Robert Davis, behind the block of Polite, carried over for one score from the seven and Merrick Moore's Lester Nichols plunged over from the three. Lawrence Suggs ran the conversion following Davis' TD to up the margin to 21-0 after three quarters of play.

Polite's running set the stage for the East final score in the last period. Suggs sneaked over from the one after Polite had gained 32 yards in the 38 yard drive. Suggs passed to Julian Martin for the PAT.

Polite was voted the most valuable player award on the East team and was named the most outstanding performer in the game. Daryl Cherry won the most valuable player award for the West.
