### PROPOSES AID PROGRAM FOR DISPLACED NEGRO FARMERS

CLARKSDALE, Miss. — In identical letters to President Lyndon B. Johnson, Governor Paul Johnson and other Federal and state officials, Aaron E. Henry, president of the Mississippi State NAACP, has proposed a three-point program to aid hundreds of Negro farm workers now being displaced from the land.

"A combination of farm legislation, automation and racial prejudice" is driving these workers off the plantations, Henry told the government officials. "Many are just moving about with no place to go," he added.

To aid these displaced persons, the NAACP Mississippi leader proposed, (1) allocation

of unused state and Federal property for use as shelter without charge "until another way can be found"; (2) availability of surplus food, supplementing the present rations with "fresh vegetables, fruits and meats"; and (3) establishment "in every county in the Delta area" of the seasonal and migrant workers program under Title 3b of the Economic Opportunity Act.

But for the opposition of Senator John Stennis, in all probability this EOA program would have already been operating in much of the area of concern and the problems now rising "could have been largely averted," Henry said.

### Stan Musial Named Sports Chairman Easter Seal Drive

CHAPEL HILL—Stan Musial, executive director for the President's Council on Physical Fitness and vice-president of the St. Louis Cardinals baseball club, has been named Sports Chairman of the 1966 Easter Seal Campaign.

The announcement of the appointment was made by the North Carolina Society for Crippled Children and Adults, state affiliate of the National Society for Crippled Children and Adults which sponsors the nationwide campaign in conjunction with 1,426 other affiliates to finance treatment, research and other programs for crippled children and adults. The campaign runs from March 1 through April 10, Easter Sunday.

Musial, whose name is etched in modern-day baseball records, was National League batting champion seven times and a three-time winner of the coveted Most Valuable Player Award.

In his career he collected 3,630 hits, had 1,956 runs batted in and hit 475 home runs, for a lifetime batting average of .331.

Upon retirement from active playing Musial was appointed vice-president of the St. Louis Cardinals. He has served as ex-

ecutive director of the President's Council since February 14, 1964, when President Johnson appointed him his special consultant on physical fitness.

As Easter Seal Sports Chairman, Stan will appeal to sports writers, broadcasters and personalities to join with him to help make the 1966 Easter Seal appeal the most successful in the history of the National Society.
