

**we care**

**his business philosophy is a lot like ours**

He buys direct, eliminating in between costs.

He watches his operating expenses.

He sells a quality product... Ann Page Cheeri-Aid

He guarantees satisfaction.

He can because we completely guarantee the Cheeri-Aid.

He sells at a fair price and makes a profit in pennies.

Young businessmen like this could be our competitors some day.

After all, we started with just one product more than a century ago.

Here's an important tip to all young businessmen.

You must care...

about the products you sell... the people you serve.

We always have and still do.
