Your professional beautician knows the answer...

Is peroxide needed to color unwanted gray hair?

Hair care and beauty experts know that the first traces of gray hair—and even slight fading of natural color after chemical relaxing—can dull a woman's appearance and make her look older than she feels. While most women hate these premature aging effects, many are hesitant about using permanent peroxide haircoloring which may change the natural hair color while coloring gray.

Professionally-trained hairdressers know the importance of their customers' preferences when unwanted gray becomes a problem. These experts also know that Clairol created semi-permanent Loving Care® hair color lotion without peroxide... to color only the gray without changing the natural shade. They also find Loving Care blends back color faded by chemical processing. Because of its mildness, Loving Care maintains healthy looking hair and lasts through a month of shampoos.

Whatever a woman's reason for wanting Loving Care for her hair, she is always wise to consult a professional beautician. Hairdressers are equipped with a family of fine Clairol products and the training to promise each patron the loveliest and most personalized haircoloring effects every time she visits her salon. If you dislike gray, and want no peroxide, why not ask your beautician to glamorize it with Loving Care?

Flower Club Observes 7th Anniversary

The Mount Vernon Acres Flower Club observed its Seventh Anniversary recently in the educational building of the church with Mrs. V. M. Faulk, presiding.

Mrs. Rose B. Browne presented the theme "A Salute To Our President." In a very impressive anthology of capsules prose and poetry about flowers. The capsules were passed among members of the club and participants in the audience, who echoed the capsules reading from all direction as a tribute to Mrs. Josephine Brown, the president of the club.

A bouquet of pink carnation flanked a bow of blue ribbon climaxed our dedication to her. The music was presented by Miss Violet Perry and Mrs. Janie Cousin.

An attraction included flower arrangement by each member. Prizes were given on the basis of the decision of the judge, Mrs. Roxie Davis. The first prize was awarded to Mrs. M. A. DeVaughan, second prize, Mrs. Veave Faulk, and third prize to Mrs. Elnora Arrington.

The visiting clubs were Ebenezer Floral Club and Oak Grove Flower Club.

Closing expressions were made by the pastor, Reverend E. T. Browne.

A fellowship hour with tasty refreshment climaxed the event.
