

GUYS AND DOLLS ENTERTAIN CHILDREN

The Zeta Chapter of Guys and Dolls, Inc. of Martinsville, Va., gave a Soul Party on November 15, at which time they presented a Negro Heritage History program, for the children. There was an exhibition of African Sculpture, drawings,

and books on Negro Heritage. A delicious menu of soul food was served at the conclusion of the program. On November 23, the Guys and Dolls with their children's educational and spiritual growth in mind attended a Catholic Worship Service.

TODAY'S SCENE AT HILLSIDE

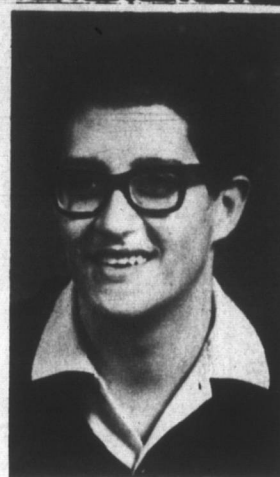

By PHILLIP JONES

At Hillside, the halls are really buzzing with the news of senior class rings. The 1970 class has a choice of four different ring designs including the traditional Hillside High School ring. The students will be voting on which ring they want soon. The seniors, at Hillside, are proud to be under the leadership of Alexander Kirk, President of the class and Arthur Smith as Vice-president.

The Chronicle Staff is trying very hard to put out its first edition at Hillside, under the supervision of Mrs. Nancy Brannan, Editor, Mary Joyner, is having a hard time getting everything in order before sending the final draft and make the Chronicle the best yet.

As always, the first edition of the Chronicle is during the Christmas season and is full of Christmas - grams from boy to girl, girl to boy, student to teacher, etc. I know this edition of the Chronicle will be the greatest ever.

Hillside's Marching Band participated in the Christmas parade in downtown Durham last Friday. It has been a long time since Hillside has been in this parade. The Band's performance was definitely terrific and everyone enjoyed it. Two of Hillside's seniors, Jacqueline Wadell and Deborah Thorpe, were on a float in the

parade. Other bands in the parade were from Durham, Northern and Southern High Schools and from Whitted and Carr Jr. High.

The Hornet Yearbook Staff announced last Tuesday that they are sponsoring a patron drive for the senior class. The drive began with the announcement. I am asking you, as Yearbook Editor, to please support the Hillside Yearbook by patronizing. Your cooperation and support will, indeed, contribute to the success of the Hillside Yearbook, Class of 1970.

\$12 Million Facility To Locate In Clay

HAYESVILLE
The state's most rural county—and one of its poorest—is getting a \$12 million plant that will ultimately employ 600 persons with an annual payroll in excess of \$3 million.

Plans for a carpet manufacturing plant in Clay County were announced jointly Wednesday by Marshall Y. Cooper, chief executive officer of Harriet and Henderson Cotton Mills, and Roy Sowers, director of the N. C. Department of Conservation and Development. Cooper said construction on the first \$4 million phase of the plant will begin as soon as the Clay County Development Corp. is able to arrange financing.

ZENITH CHROMACOLOR outcolors, outbrightens, outdetails and outperforms every giant-screen color tv before Chromacolor!

New CHROMACOLOR Picture Tube

The heart of the system is the revolutionary new Chromacolor picture tube, incorporating Zenith's patented black-surround principle. Where giant-screen color pictures before Chromacolor have been made up of thousands of tiny red, green, and blue dots on a gray background, Zenith found a way to reduce the dots in size, surround them with jet black and for the first time, fully illuminate each dot. You'll see the difference immediately—not only greater brilliance, but dramatically new contrast, new definition, and new sharpness of detail.

Zenith TITAN 80 Handcrafted Chassis combines famous Zenith handcrafted dependability with exciting solid-state advances.

Exclusive Zenith Integrated Circuit CHROMATIC BRAIN produces the most natural reds, greens, blues.

Choose Zenith CHROMACOLOR the dramatic difference you can see in color TV!
