## Guidelines for a Pretty Smile

WHY THE BIG SMILE on this lovely lass? Perhaps because she has just received a clean bill of health from her dentist! Regular dental check-ups are the first step in helping to prevent tooth decay, the nation's most common disease—more common even than the common cold. Other tips for fighting tooth decay include cutting down on between-meal snacks and brushing regularly with a toothpaste such as Crest. Crest, which contains decay-fighting stannous fluoride, is available in two good tasting flavors—regular wintergreen and mint. Follow these easy guidelines for looking after your teeth and you'll have real reason to smile!

## TODAY'S SCENE AT HILLSIDE

By MICHELLE DEJARMON

Hillside High School has now been occupied by students eight days. During the eight days that have passed, there have been two football games and a number of football practices. Although we have not both games, we know that the guys on the football team have played to their fullest and that they possess the most essential factor for all sports. What is this factor? It is good sportsmanship. All of the Hornet football players are out-standing and all of them should be given special recognition, but we would like to point out some of the most outstanding. They are: Curtis Brockington, Johnny Washington, Hillary Reddick, Larry Mangum, Michael Carlos and Wayne McKinnie all seniors at HHS. Willie Bell, Willie Alston, Larry Goldston, Eddie Romes, juniors and Michael Evans, John Dupree, Charles Watts, Ira Evans, sophomores are also included. These are just a few of the Hornet players, but we have many more just as great.

The Hillside High School Marching Band under the direction of Mr. C. E. Edgerton, Jr. and Mr. Lonnie Hall acting drum major performed for the game Friday night. They along with the Marching Band of Dudley High School performed for the half-time activities. The half-time was one that will not soon be forgotten. Yes, the students of Hill-

side are truly outstanding as well as talented. At this time a 1970 graduate of Hillside High School Mr. Alphonso Kee III should be recognized in the field of talent. Mr. Kee the former 1969-1970 drum major of Hillside High's Marching band has been selected to fill the position of drum major at North Carolina Central University. We sent him congratulations and wish him the best of luck in the year that follows.

I would like to thank Miss Audrey Kee for putting her confidence in me as a correspondent for the Hornet's Nest. This is a great challenge to me. Thank you Audrey.

Till next week this time, stay the way you are but always have room for improvement.

## CHICKEN DELIGHTFUL

NEW YORK (ED)—It's time for a change in the kitchen! Just about now, barbecues seem to have had it, and everybody's up to here with cold summer meals. Could be the moment for chicken. It's light enough for the weather and easy on both cook and budget. For a different kind of chicken - sure to tempt even the most summer-jaded appetites - think Italian. America's favorite food imports, by far, come from Italy, where good cooking means much more than pizza and pasta. The Italians have a particularly clever way with chicken. And when it's Pollo alla Marinara, a favorite adapted for American tastes by the Italian cooks at Progresso, your family will name you International Chef of the Month!

POLLO ALLA MARINARA (CHICKEN MARINARA)  
 1 3 lb. broiler-fryer  
 4 Tbsp. imported Italian olive oil  
 1/2 cup chopped onion  
 1/2 cup chopped celery  
 2 large cloves garlic crushed  
 2 8 oz. cans Progresso imported Italian peeled tomatoes  
 2 cups chicken broth undiluted  
 1/2 cup Chianti or other red wine  
 1/4 tsp. fresh ground pepper  
 1/2 Tbsp. oregano  
 2 Tbsp. flavored Italian bread crumbs  
 12 pitted and sliced olives  
 8 ozs. fusilli or any other pasta  
 3 Tbsp. butter  
 3 Tbsp. chopped parsley  
 Wash chicken pieces and dry on paper towel. Soak chicken in hot olive oil in large heavy skillet, a few pieces at a time, until browned all over. Remove chicken as it browns. In same oil saute onion, celery and garlic about five minutes, scraping bottom of pan occasionally to stir in chicken drippings and prevent burning. Add tomatoes, broth, wine, salt, pepper, oregano and chicken pieces. (Broth may be substituted for wine, if desired.) Simmer, covered, about 25 minutes or until chicken is tender. Add bread crumbs and olives and cook five minutes longer. Meanwhile, cook pasta as package label directs. Drain well and toss with butter and parsley. Turn pasta into serving dish and arrange chicken on top. Spoon some of the sauce over the chicken and serve remainder in a bowl. Makes four servings.

## What's keeping you from looking good? Getting gray?

It's only natural to panic a little when you see those first gray hairs... or when you realize that chemical processing is slightly fading your natural color. Many women, just like you, hesitate to use permanent peroxide haircoloring because they don't want to change their natural color. What to do?

Hair care and beauty experts agree that slightly graying and fading can add years to a young woman's looks... but they also know what takes the years away. Loving Care®. Clairol created this semi-permanent hair color lotion without peroxide. It colors only the gray or faded hair... and doesn't change your natural shade. There's no harsh coloring gentler. Your hair stays shining and healthy-looking through a month of shampoos.

If you have questions about your hair, you're wise to go to the experts. Professional hairdressers have the whole family of fine Clairol products and the training to promise each patron the loveliest, most personalized results.

So don't panic. Be comforted with a quick visit to the expert... your hairdresser. And keep on looking good!
