

Highlights At Durham Hi

By AUDREY KEE

The Regional Choral Clinic was held at Durham High. After two years of experimentation the clinic has become an annual thing for North Carolina.

It is directed by Dr. Lara Hoggard and William R. Kennan; Professor of Music at

MISS KEE

UNC in Chapel Hill. Along with them was the Carolina Choir.

The purpose of the clinic was to demonstrate correct vocal technique and musicianship.

The Student Government has begun their budget drive. All money will be used for the school.

On Friday, students in exchange for their last hour class were permitted to attend a dance, which was part of the budget drive. The money collected from the tickets sold for the dance will be used by the SGA.

Jim Schepp, treasure of the Student Body, is pending on what student giving at least one dollar, which will come to the sum of \$1,700.

Oh, by the way! Congratulations to the young lady who had those teeth pulled and have discovered polident.

The Les Fleurs Garden Club in Monthly Meet

The Les Fleurs Garden Club held its monthly meeting at the home of Mrs. Moses Norwood on Cetyl Street. The "garden gate" was opened by singing the club song, "Thank God For a Garden" following by inspirational quotations from each member. The president, Mrs. F. D. Wray, presided.

Following the business session, members listened to helpful garden suggestions. Mrs. S. L. Dudley gave helpful hints on use of leaves as a good mulch. Helpful hints on planting bulbs for a beautiful spring garden were given by Mesdames W. H. McLaughlin and John Mason. Mrs. William Vass made a very beautiful table arrangement of pyracantha and dahlias.

After much discussion and a delicious repast by the hostess, the meeting adjourned.

I wish to take this opportunity to thank all my friends who so kindly supported and sponsored me. Bye now!

What's keeping you from looking good?

Wrong hair color?

Beauty experts will tell you—the perfect hair color for you may be just a shade away from your natural shade. It depends on your complexion, your eyes and the way you use make-up.

Hairdressers know that dark or thick or coarse hair is resistant to drastic color change. But, even a very slightly lighter shade adds excitement to a woman's appearance. And the professional hairdressers also know there's no more natural way to change hair color than Miss Clairol® haircoloring.

Miss Clairol lightens and adds color at the same time (and also covers gray). This means the resulting color is a combination of your own hair and the color you choose. Generally, dark exotic browns and blacks are most flattering on darker skin tones... and golden or red shades are more beautiful on lighter tan complexions.

If you're thinking of changing your hair color, go to the experts. Professionally trained hairdressers have the whole family of fine Clairol products and the know-how to make your experience with haircoloring an exciting adventure. So whether you go brown, gold, redhead or deep black, just keep on looking good!
