UNION BAPTIST IN THE NEWS

By MABEL SHAW

"What the world needs to know is the real thing!" and this real thing is God.

On last Sunday, Rev. John L. Caldwell spoke on "The Pepsi Generation", and he used as his theme "You've got a lot to live".

In his sermon Rev. Caldwell brought the fact that both the young and old should try and seek God in their lives because this was the real thing that we would need to know.

He also felt that we cannot but reckon those who deny the supernatural as foes of God's kingdom. Unless there is a reality in the supernatural, Christ was false or mistaken in all his distinctive claims. Further, when people lose faith in the supernatural the way is barred for them to experience the supernatural.

Unbelief closes the door against the blessings which God would delight to give people who do not believe that God pays attention to prayer will know nothing of the comfort and strength which comes through prayer. Those who do not believe that Jesus can save from sin.

So if we find this real thing which is God then this world would be a better place to live in.

At Union Baptist Church a greater emphasis is being placed on the youths and their involvement in the activities of the church. It is felt that if the youths as well as the adults are involved in church activities then their belief in God will be strengthened to its fullest.

Union Baptist Church members also puts emphasis on the youth participating in the fellowship with God.

"Seek ye the Lord while he may be found, call ye upon him while he is near: Let wicked forsake his way and the unrighteous man his thoughts; and let him return into the Lord, and he will have mercy upon him; and to our God, for he will abundantly pardon".

Isaiah 55:6-7.
