

Shaw University Gridiron Bears Choose Captains for 71 Season

RALEIGH — Shaw Football Coach, George Clements, announced today that his football team had chosen "two of the finest players on the squad as co-captains for the 1971 football season."

William "Bulldozer" Hackett, the Bears up-coming Senior running back and forthcoming Senior center, Joe "The Mover" Johnson, will lead Clements' squad during the 1971 football season.

Hackett, a 6-1, 215 lb. senior from Trenton, New Jersey was the other half of the 1-2 punch of Hackett - Wynecoff last season as he pushed through on 132 carries for 560 yards while losing only 31.

Joe Johnson, a senior from Aubundale, Florida will be the key "ball snapper" this coming season. Johnson is 6-1 and weighs in at 220 lbs.

Coach George Clements says that he expects Hackett and Johnson to be two of the cogs in his regrouping effort during the '71 season. The Bears lost 12 men, most of whom were key defensive standouts during the '70 season by the graduation route.

Clements and the Bears will be shooting for their second winning season in as many years. Having finished the 1970 season with a 5-3-1 record, the Bears are faced with replacing 10 defensive

giants and two offensive wizards.

"Hackett and Johnson will help us to make our new men apart of an integrated group of ballplayers with the kind of team spirit we need," Clements said.

The Bears have just completed their Spring Training chores and according to Clements, "they look real good." He said he would never predict, "I'm not that kind of coach, but I feel that we have just as good a chance this season as we had last year."

The Bears face nine seasoned opponents in "71" kicking off the season with Federal City College from Washington, D. C. in Washington. The remainder of their schedule is loaded with conference foes including CIAA runner-up Johnson C. Smith University.

MVP AT S. C. STATE RELAYS—Reddick Martin, a member of the Coca-Cola Bottling Co. of Columbia, S. C. presents Israel Hicks of Florida A&M with the most outstanding athlete award at the 15th annual South Carolina State College Track and Field Invitational meet. Hicks led Florida A&M to the team championship by sweeping both the one mile run and the two-mile run. In addition, he ran a leg of the FAMU winning two mile relay team and the distance medley team.

Fayetteville Signs A Blue Chip Athlete

FAYETTEVILLE, N. C.—Fayetteville State University's athletic stock received a boost recently with the signing of Cape Fear High School's James Godwin to an athletic grant-in-aid.

Godwin recently established a Duke-Durham Relays long jump record of 25' 1 1/2". His mark exceeded by more than six inches the previous best for a United States prep this season.

In addition to getting James Godwin's name on the dotted line, the Fayetteville State Broncos also garnered Morris Godwin, a guard; and Samuel Bell, a tight end. All of these young men were standouts on the Colts' grid squad last season.

In addition to his talent in track, James Godwin is a "super" football player. He ran at the halfback spot for the Cape Fear eleven last season and Coach Raymond McDougal plans to utilize his talents next season.

"THE SIGNING of Godwin is the signal of some good things to come for Fayetteville State University athletics," Coach McDougal said. "We're going after quality athletes and the Godwins and Bell will complement our grid program."

Cougars Sign Tenn. State's Ted McClain

GREENSBORO — "The pieces are beginning to fall into place," said Carolina Cougars General Manager Carl Scheer as the Cougars signed guard Ted McClain of Tennessee State.

Scheer, who recently won a battle for the services of All-America Jim McDaniels of Western Kentucky, said the ABA team is close to signing other "big name players" in the wake of a poor 1971 season.

McCLAIN, the third round draft choice of the Cougars, averaged 25.8 points and 5.7 rebounds a game at Tennessee State.

Scheer said the Cougars were still talking to Rich Yunkus of Georgia Tech, their second round draft choice, who was also picked in the NBA draft by Cincinnati. The Cougars also announced the signing of Bob McKenney of Pepperdine College in California.

VOLKSWAGEN'S 100% USED CAR GUARANTEE

This used car is guaranteed 100%.

Before a used car can get our guarantee, it has to pass the VW 16-point safety and performance test. Then, if anything needs fixing, we fix it. Then we give it our 100% guarantee: to repair or replace all major mechanical parts* for **30 days or 1,000 miles**, whichever comes first. You know we wouldn't give any old car a guarantee like that.
