"If anything should happen to me, this policy will take care of Yvonne and make sure that Vernon, little Yvonne and Walter get a good education."

"You've given your family the security every family should have."

Providing security for families like Walter Johnson's is an important part of our business at North Carolina Mutual.

But we're involved in a lot more than life insurance. For example, we helped Walter Johnson pay his way through Duke University with an educational policy. And it was a very proud day for us when Walter became

the first black to graduate from Duke's law school.

We'd be proud to help you achieve an important goal in your life, too. Whether it's security for your family, education for your children or plans for retirement.

Every family should plan for tomorrow. Your local North Carolina Mutual man can help with it.

World On Wheels RIGSBEE TIRE SALES "TIRE CARE TIPS"
Don't make sharp turns when driving... they can ruin a good tire. A single right-angle turn at 13 M.P.H. can scrape off as much tire tread as 10 miles of straight-ahead driving at normal speeds.

To increase your tire life, rotate tires every 10,000 miles or sooner. This will equalize tire wear and increase mileage.
For the best advice on how to get the most out of your tires, consult Rigsbee Tire Sales—one of the dealers who know tires best. He can give you tips on tire care as well as help you choose the right Hercules tire or low cost quality retreads for your car.
