The University's Concert Choir, composed primarily of Freshmen and new students, and the Touring Choir, just returned from an 18-day tour of the eastern seaboard and the midwest, performed at 8:00 p.m. Monday, April 30 in the B. N. Duke Auditorium on campus.

The concert choir was accompanied by Miss Paula Harrell, a freshman music major from Durham. Miss Harrell was a former accompanist at Hillside High School and studied there under John Gattis. She is now studying piano with Dr. Lillian Pruett. The concert choir will perform movements of Randall Thompson's Americana, Selections from Mendelssohn's "Elijah" and works by Nathaniel Dett and Thomas Morley.

The touring choir performed the second half of the concert. Their performance was dedicated to the senior members of the organization. This is considered the finale in the annual concert tour. Charles

H. Gilchrist, director of the choir reports of the many standing ovations and "complimentary reviews" tendered them during their recent tour. Gilchrist said "I was elated over the performance of the accompanist, Grover Wilson, Jr. of Durham, and the soloist: Thesalonians Vann of Gates, Madeline Samuel of Wilmington, Ingrid Edmonds of Fayetteville, Thomas McCullers of Clayton and Lindsey P. Lattimore of Morganton."

Further, "the touring choir performed with mastery, insight, and authority in every city we performed and should be highly commended for their character, stamina and love of the institution they represented."

Full accreditation has been given to the Department of Nursing from the Department of Bachelor's and Higher Degree Programs of the National League for Nursing, effective April 13, 1973. This accreditation is for an eight

year period.

The first basic class of sixteen students will receive their degrees during Commencement Exercises May 20. Thirteen additional basic students will complete requirements for the degree following the close of the Summer Session. Currently, there are two hundred and seventy majors enrolled.

Mrs. Helen S. Miller, Chairman of the Department of Nursing, commented, "It is significant that on the eve of the graduation of our first class this signal honor should come to us. I know that I speak for the faculty and student body in the Department of Nursing in saying that we are extremely happy today. We cannot, however, rest on these laurels, but our efforts must continue in maintaining a quality program for the preparation of professional nurses."
