

Some of World's Finest Athletes Expected Here For King Games

World class track is coming to North Carolina. Some of the world's finest athletes will compete here May 12 at the Fifth Annual Martin Luther King International Freedom Games Track and Field Meet.

The King Games, held the past four years in Philadelphia, will be moving to Wallace Wade Stadium at Duke University for the first time.

Two years ago the Duke Track was the scene of the highly successful Pan Africa-U.S.A. Track Meet.

The King Games are the first major international outdoor invitational track meet of 1973. While no official competitors have been announced as yet, it is almost certain that at least 30 Olympic participants will be in the competition.

The performers from the 1972 Olympic Games will be from the USA and foreign countries — Kenya, Canada, Trinidad, Jamaica, Australia, Russia and others.

The King Games will also mark the debut of a new all-weather track at Wallace Wade Stadium. With the new "fast" track it is safe to say that many of the performers will be challenging records.

All seats are reserved at \$5.00, \$3.00, and \$1.50. Tickets may be ordered by check or money order by writing Martin Luther King Games, P. O. Box 1087, Durham, N.C. 27702.

The Meet gets underway at 1:30 on the 12th.

Spaulding, Katherine Thomas, Constance Watts, Winnie Robinson, Dr. Ruth Horry, Misses Shirley Ann Blakeney, Marie Shaw and William Clement, Dr. Theodore Speigner, Dr. Joseph Pittman, and Pat Bowen.

Friends of Talladega and others who have attended the college are welcome to meet with the group.

Dallas Street Club Holds Its Monthly Meet

The Dallas Street Community Club held its regular monthly meeting at the home of Mr. and Mrs. Willie Evans at 2203 Dallas St. Friday evening at 7:30.

Mrs. Mary Pulley led the devotional exercises.

The business session opened with the president, Mrs. B. A. Mack, presiding.

The April Project was climaxed and was a great success.

Plans for future projects were discussed. The next project will start immediately and will be climaxed in July. Members other than the previous ones named are: Mesdames Julia Gaddy, Vadora Henderson, Mable Mangum, Carrie Brooks, Nannie Lyons, Mildred Mangum and Mary Evans.

After the meeting the hosts Mrs. Lena Evans served an elaborate repast.

PINK CAULKING

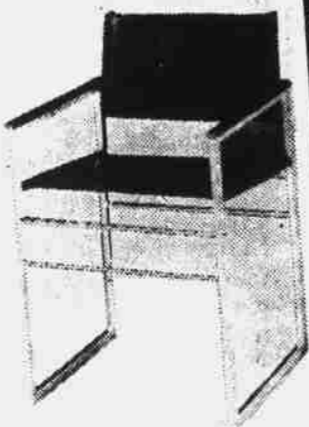

When your bathtub isn't basic white, why should caulking be? Now, silicone rubber caulking compound comes in pink, green, yellow, blue and beige. It is waterproof, easy to install, won't discolor, shrink or crumble and will resist mildew. For the tile over the tub, grout is available in colors, too.
