

NEWS OF NCCU

COMMENCEMENT SCHEDULE BEGINS SATURDAY, MAY 19

More than 900 seniors, graduate students and professional students are awaiting the beginning of commencement activities set for Saturday, May 19, at North Carolina Central University.

Hundreds of parents and guests will arrive on campus Saturday to participate in the activities. Chancellor A. N. Whiting, along with other personnel, will welcome them at a reception at 7:30 p.m. Saturday in the Alfonso Elder Student Union.

A breakfast for the

graduating students is scheduled for 7:15 a.m. Sunday morning. The early hour allows ample time for the students to gather to form their procession at 9:00 a.m.

Arrangements have been completed for the university's first outdoor commencement in several years. The ceremonies are scheduled for 10:00 a.m. on the lawn in front of the James E. Shepard Memorial Library.

Rain or threatening weather will move the program to the R. L. McDougald Gymnasium.

During the procession, the university's concert band, under the direction of Willie J.

Williams, will present a concert on the James E. Shepard Library lawn. Parents and other guests have been urged to seat themselves before this concert begins at 9:30 a.m.

Speaker for the occasion will be the Rev. Jesse Jackson, president of Operation PUSH (People United to Save Humanity).

DR. PHINAZEE ELECTED CHAIRMAN OF CITIZENS ADVISORY COMMITTEE

Dr. Annette Phinazee, Dean of the School of Library Science was elected chairman for the coming year of the Citizens Advisory Committee for Community Improvement.

Sat., May 19, 1973

THE CAROLINA TIMES-4A

The meeting was held on May 9.

The Advisory Committee was organized to provide a means for citizen participation and to help implement a workable program for community development. Members are appointed by the City Council for a three year term.

Dr. Phinazee stated after assuming office that "I am dedicated to the goals of the citizens Advisory Committee. Our committee members are talented leaders who are capable of making the Citizens Advisory Committee an effective force in Durham." She also announced that one of the first challenges will be to investigate and make recommendations regarding housing conditions in the city. The enthusiasm and determination expressed in the May 9 meeting makes them confident that the experience will be beneficial to all who participate and we do intend to involve and work with the residents of the selected areas."

A major area of responsibility of the Committee is to advise the Council about the needs and wants of the citizens of Durham with special attention to areas of housing, problems of senior citizens, community development, recreation, youth involvement and code enforcement.

SECURITY OFFICER

The United States is the world's largest exporter of farm products. Our nation accounts for about 20% of world agricultural trade.

COMPLETE COURSE

Ten of NCCU's campus Security officers have completed a sixty hour course in basic law enforcement. The course was taught on the Campus by Bill Young, an instructor at the Johnston County Technical Institute.

Completing the course were Clarence Arledge, Jr., Wilson McKinnie, Hodgesty Alston, Robert Grimsley, Plummer Jones, Adam Wall, Jr., Johnny Mason, Matthew McKinley, John Sutt and Linwood Taylor.

Mrs. Sylvia O. Richardson received the M.S. Nursing degree from UNC on May 13. Mrs. Richardson, past education director of Nursing, at Lincoln Hospital School of Nursing, serves as an instructor at Department of Nursing.

Ms. Laurel Henage recently attended the Third Annual Conference on Library Orientation for Academic Libraries at Eastern Michigan University, Ypsilanti, Mich. Ms. Henage is the reference librarian for the Humanities project at James E. Shepard Memorial Library.

NCCU Student Enters Public Administration Program at UNC Frank Crawford, Jr. who will graduate May 29 will enter the Master's degree program in Public Administration at UNC. He is the recipient of a \$1,000 Scholarship and \$2,000 assistantship at UNC.

In one hour a modern combine can harvest enough wheat to bake 20,000 loaves of bread, according to New Holland Division of Sperry Rand engineers.
