Added Volunteer Registrars Named

Sidney Booth, Chairman of Selective Service System Local Board No. 32, Durham County, announced recently the appointment of five additional volunteer registrars in Durham County to assist young men in registering with the Selective Service System.

The new appointees include the guidance counselors at the county senior high schools. Guidance counselors in the city senior high schools were appointed as volunteer registrars in July 1973. Now students at each senior high school in the city or county may register with their guidance counselor.

Another new appointee is Mr. Harry Demik, at Duke University, to assist students enrolled at the university.

To assist other young men in the county, non-students as well as students, in registering with Selective Service, George Lee Suggs, Jr., was appointed at North Carolina Central University. Employees of the Durham County Veterans Service Office were appointed

in July 1973 and, Booth said, are to be commended for the outstanding services they have rendered in addition to their regular responsibilities.

Booth also pointed out that 18 year-olds may also register at the local board office in Raleigh, which is located in the Federal Building, 310 New Bern Avenue. The appointment of volunteer registrars is to enable young men to register locally rather than travel to Raleigh.

Booth emphasized that even though Selective Service is not inducing any registrants at this time, the law still requires that all male persons register with Selective Service within 30 days before, or 30 days after, their 18th birthday.

Home Security An Affiliate of Capital Holding

Watts Hill, Jr., Chairman of the Board, and Arthur W. Clark, President of Home Security Life Insurance Company of Durham and Homer D. Parker, Chairman and Chief Executive Officer of Capital Holding Corporation, an insurance holding company based in Louisville, Kentucky, announced recently that their companies have signed a letter

of intent setting forth a proposal whereby Home Security will become an affiliate of Capital Holding Corporation.

The proposal, which provides that each shareholder of Home Security will receive 1 1/2 shares of the common stock of Capital Holding for each share of Home Security, has been approved by the Boards of Directors of both companies and will be submitted to the shareholders of Home Security for approval. The transaction requires the approval of the holders of two-thirds of the outstanding stock of Home Security, and is subject to the approval of the Insurance Commissioner of North Carolina and other regulatory authorities.

It is anticipated that the transaction will be completed within the calendar year.

No changes are planned in the management of Home Security and the headquarters of Home Security will remain in Durham. Mr. Clark will continue as President and Chief Executive Officer and Mr. Hill as Chairman of the Board of Home Security, and upon completion of the transaction, both will become Directors of Capital Holding.
