

## Community Learning Exchange Is Underway

"People should be bananas, to be peeled, instead of apples to be polished, most of us go through life polishing instead of peeling."

A "learning exchange" is currently developing in the Durham community. It is based on the premise that education should be a dynamic life long process of using and sharing knowledge for the betterment of ourselves and our society. Unfortunately, people have not been encouraged to pursue collective learning experiences since they have left traditional school systems. The goal of education is not a degree but a healthy series of changes in response to our needs and desires.

The learning exchange will function from a center where cooking classes meet next to Buckley scholars, where groups form co-ops next to chess clubs, where workshops and films can always happen, where people can come at any time to feel at home and find friendly people. In these learning groups teacher and student are alternate and interdependent descriptions of the same process. Anyone who has anything to share or anything

## TWO MINUTES WITH THE BIBLE

BY CORNELIUS S. STAM, PRES. BUREAU BIBLE SOCIETY CHICAGO, ILLINOIS 60622

### "PAUL, THE PATTERN"

Many religious people take the Lord Jesus Christ as their pattern in life. They call Him "The Great Example." When problems arise they ask themselves: "What would Jesus do?" They seek salvation by "walking in His steps."  
While our Lord's moral and spiritual virtues are indeed worthy of emulation, there were many details in His conduct which we should not imitate. For example, none of us would be in a position to pronounce upon the religious hypocrites of our day, the bitter woes which our Lord pronounced upon the Pharisees of His day—simply because we all have so much of the Pharisee in us.  
Certainly we cannot be saved by "following Christ" or striving to live as He did. His perfect holiness would only emphasize our unrighteousness and condemn us. He came to save us, not by His life, but by His death. "Christ died for our sins" (1 Cor. 15:3) and sinners are "reconciled to God by the death of His Son" (Rom. 5:10).

**JIM PIPKIN**

Come In & Meet Our Man — JIM PIPKIN  
He's a true "TIRE PROFESSIONAL"! Jim is a local man, attended Durham city schools and served our country for 4 years in the United States Air Force. Jim came to work at Rigsbee Tire Sales in 1964 as a warehouse assistant. In 1965 he was made warehouse manager and in 1966 headed our Service Department until he joined our retail sales staff in 1967. A true asset to our business, Jim has held positions of responsibility and demonstrated his leadership abilities in many ways. Jim is married to the former Tena Ladd and has one child, a daughter Toni. A great outdoorsman, Jim enjoys golf, fishing, boating and hunting. We are very proud to have him as the Manager of our newest store and hope all of his friends will come in and visit him.

Shown above is Mayor James R. Hawkins cutting the ribbon at our grand opening ceremonies yesterday at our new store on Roxboro Road.

Dear Customers and Friends:  
I would like to take this opportunity to thank each of you for your continued support in the growth of Rigsbee Tire Sales.  
In 1964, we opened the second location in a small building on Hillsborough Road to serve the West Durham area and in 1968 we added an additional 5,000 square foot of space in order to give faster and a more complete tire, battery, and accessory service. At the same time, we installed the most modern equipment for retreading, wheel balancing, front end alignment, brake service, and many other items that would make you, our customers, travel safer and more comfortable than ever before.  
On Monday, December 17th, we will formally open the third location in the North Durham area on Roxboro Road. We intend to provide the same guaranteed quality product and service to our many friends in this area, as has been the custom of our business in Durham since 1947. We continue to pledge to you, the motoring public, the best product and service available, at the most reasonable price.  
We ask only for the opportunity to prove to you that we are truly "THE TIRE PROFESSIONALS".  
Stewart C. Rigsbee
