Retreading is Recycling...

We take safety inspected worn tires with no damage and apply new tread rubber equal to or better than most new tires. As a result you can save up to 50% on the price of comparable new tires...

By using retreaded tires, you help foster the Environmental Protection Agency's drive to increase the use of recyclable products, such as tires. By investing in a set of retreaded tires you help yourself and your country!

retreads can cut your tire expenses 50%
