A word about Economy . . .

HONDA CIVIC.

The Honda Civic is a maneuverable, fun to drive car that parks in spaces no other car could squeeze into and delivers a phenomenal 29 miles per gallon of gas.

Coggin Honda

A word about Quality . . .

VOLVO.

The Volvo has as much leg room and trunk space as some of the large luxury sedans and according to U. S. Government figures, it gets about fifty percent more gas mileage than the most popular domestic car in its price range.
