**CYNTHIA THOMPSON** — All CIAA Selection 1976-77  
Freshman, 5-8, 120, forward  
Marks, Mississippi

Not often does a freshman come in and turn a basketball program around but that's just what Cynthia Thompson has done at Hampton Institute.

The five foot eight inch forward led the Pirates with a 16.6 scoring average and averaged 8.8 rebounds per game. She led the team in virtually every offensive department and provided the impetus to transform a 2-10 record in 1975-76 to a respectable 7-10 this past season.

A deadly shooter from 20 feet, Thompson possesses amazing poise and coolness under pressure for a freshman.

**JOAN HUNDLEY** — All CIAA Selection 1976-77  
Senior, 5-11, 130, center  
Trenton, New Jersey

A dominant center both offensively and defensively, senior Joan Hundley recovered from an early season injury in time to lead the Pirates to their best season ever including five wins in the last eight games.

Selected All Central Intercollegiate Athletic Association (CIAA) this year, Hundley averaged over 11 rebounds per contest along with 13 points.

She was the leading scorer on the Pirates as a sophomore and as a junior but an injury, which forced her to miss the first game and hampered her early season performances, kept her from repeating her earlier play. Yet she still won selection to the All conference team.

**JUSTIFIABLE HOMICIDE** — Leon Hillard, one time Harlem Globetrotters dribbling whiz and later the team coach, was shot to death March 14 in a Chicago South-west Side apartment, after a domestic quarrel. His wife, Sandra, 38, was questioned by police and released when police ruled the shooting was justifiable homicide. (UPI).

**Tennis Squad Aims For Another National Title**

HAMPTON, VA. — What does an NCAA national championship tennis team do for an encore? They get better, of course!

The Pirates expected to be strong again this season with the return of three All America performers but an incredible recruiting year by coach Robert Screen has improved and strengthened the Pirates even further.

Roger deSantis Guedes, Bruce Foxworth and Rodney Young, all top performers last year returned to give the team a solid foundation but the addition of freshmen Carlos de Brito, Noel Freitas and Santiago Jaquez has strengthened the line-up from top to bottom. de Brito has compiled a 8-2 record thus far playing in the number two singles position. Freitas isn't far behind with a 7-2 mark playing in the number four position while Jaquez, playing number six, is 4-6 in singles play.

Playing a primarily Division I schedule, the Buccaneers have rolled to a 7-1 overall record playing such

teams as Georgia, Florida, Duke and Clemson as well as Division II powers Florida International and Georgia Southern.

The tough schedule continues as the Bucs prepare for their Southern road tour to play such teams as North Carolina State, North Carolina, Alabama, Virginia Tech and Virginia.

**ARWOOD SEEKS TO BEEF UP KC's BULLDOGS**

KNOXVILLE, TENN. — With a 16-12 record in the books after beating Clark for third place in the NCAA Division III South Regional, Knoxville College has stowed away its basketball gear.

But Coach Vic Arwood is keeping his bags packed and ready. He's going to take in at least three state tournaments and some of the regional play in Kentucky next week.

Arwood is in search of talent to augment the present squad, none of whom is a senior. Five of the 10 man squad that participated in the school's first NCAA play at Lexington, Ky., are juniors. They include All-Tournament selection John Atkins, Shelby Hathorn, Melvin Fluellen, Ron Blanchette and Rodney Williams, 6-5 forward from Toledo, are the only freshmen. Tracy Champion, Wayne McCulloch and Maurice Triche are sophomores.

Still another junior is Greg Jones, talented 6-7 center from Chicago who went out after only 12 games with a knee injury that required surgery. If his knee is rehabilitated he should give the Bulldogs the board strength they missed down the home stretch.

Arwood said beating Clark in the consolation at Transylvania was "more satisfying" than the usual consolation game.

"It was our third meeting (each had won on the other's home floor in SIAC play)," Arwood pointed out, "and it gave us the season's edge."

If Arwood can add music to this imposing returning group, next season's Bulldogs could surprise a lot of teams.
