Chapel Hill-Carrboro Notes

By J. Roland

942-6164

The Youth Employment Service (Y.E.S.) officially opens this week at Chapel Hill Senior High School under the director of Ms. Catherine Randall. The new program hopes to match youth to job possibilities in the surrounding area. Community support and participation are urgently needed. Volunteers to assist in the office and in other capacities are needed. Those interested may contact Ms. Randall by calling 942-6934.

Parents and other concerned members of the community interested in learning more about the curriculum plans for the local junior high schools are invited to come out to the Hargraves community Center on Saturday afternoon at 5 p.m. It is important that we stay abreast of proposed curriculum changes and how they will affect our children. If you cannot make this meeting, you can voice your opinions by contacting local Board of Education members as well as writing or calling the Superintendent's office.

Several area youth were winners in the Chapel Hill - Carrboro Triathlon held on Saturday at Fetzer Field. First place winners and their events are: Michelle Pendergraft (long jump), William Thorpe (800 meters), Leslie Roland (100 meters), Rosalind Pendergraft (100 meters, 13 years old) and Anita Beane (800 meters; 13 years old).

Don't forget the annual county wide Easter Egg Hunt for children age 3-14 to be held on Saturday, April 14 at Camp New Hope. The vent will begin at 10 a.m. It is sponsored by the Chapel Hill, Carrboro and Orange County Parks and Recreation Departments. Camp New Hope is located on Highway 86 between Chapel Hill and Hillsborough. In case of rain, the egg hunt will be held on Monday, April 16.

Kappa Omicron Chapter of Delta Sigma Theta Sorority, Inc., the undergraduate chapter at UNC, is providing tutoring services to participants in the Pine Knoll Community Center tutorial program from now until the end of school. Members of the sorority are also responsible for the presentation of a black Awareness series every Monday from 5-7 p.m.

Durhamites Gala Cabaret

Dear Durhamite: Perhaps you have already heard that we Durhamites of Metropolitan Washington, D.C., Area were very successful last year when we celebrated our first scholarship gala.

To that end, we donated a scholarship in the amount of \$1,000.00 to our recipient, Ms. Tara Fikes. Tara is about to complete her first year of college work at the University of North Carolina.

It was because of folks like you who provided the means to give a scholarship that we were able to help carry Tara through some of the difficulties encountered as a freshman in a college environment. Thank you for caring!

Chances are you are wondering what we are doing now. This year we plan to give a second scholarship to another deserving senior high school student who lives in the City/County of Durham, North Carolina, to help provide financial support during the first year in college. Further, we plan to move forward to help meet some of the needs of the community.

In fulfilling our objectives, again, we call on you to join us in supporting our second annual public money making activity. We promise to go all the way, and then some, in providing an occasion you cannot afford to miss and at the same time help you to renew old ties with friends.
