**New '80 Pontiac Phoenix City 24 - Hwy 37\***  
 The '80 Phoenix is the first step up to the comfort and prestige of the new size Pontiac. And Coggin Pontiac makes it easy to make the first step. Practically everything about Phoenix was reengineered. The way it drives, turns, stops. It was truly designed for tomorrow. But the appeal of Phoenix isn't merely mechanical. With this car, stylists have finished off what engineers began. When you see it, you'll understand Pontiac's way with cars. And also why Phoenix is our most popular Pontiac.

 Every economy car is supposed to help you save money. And our '80 Sunbird will do that. But we think a compact should do more than that. And Sunbird is flexible enough to give you just what you want. You can order a Hatchback Coupe with an entire rear that opens up to give you wagon-load space. You can equip your Sunbird with a Formula package. In other words, you can get a Sunbird that suits you to a T. At a Coggin Pontiac price that will do the same.
