## How To Warm Up Your Friends The Easy Way

Take the chill off your evenings, relax with your guests, and enjoy the treat of a delicious winter drink: THE HOT TURKEY TODDY.

The Hot Turkey Toddy, with the old-time flavor and richness, is a welcome addition to the great tradition of cold weather drinks for Holiday entertaining.

To make the Hot Turkey Toddy, prepare a cup of boiling water, add a jigger of Wild Turkey Liqueur, and mix. For extra richness, float a pat of butter on top, then savor slowly as the butter melts into the delicious Hot Turkey Toddy.

Wild Turkey Liqueur is America's first premium liqueur. It is bottled exclusively in limited quantity by the Lawrenceburg, Kentucky distillery of Austin, Nichols Distilling Co., the originators of the great Wild Turkey Kentucky Straight Bourbon, from stock specially reserved for that purpose.
