

# Zola Novel Upcoming On Masterpiece Theatre

*Therese Raquin*, a three-part dramatization of Emile Zola's haunting tale of passion, adultery and murder, set in late 19th century Paris, will be presented on *Master-*

*piece Theatre* beginning Sunday, April 12 at 9 p.m. On Center Channel 4.

*Therese Raquin*, a passive, withdrawn girl, is married to her sickly cousin Camille. She leads an extremely quiet life living with her husband and his mother who keeps a small draper's shop in Paris. One day Camille brings home a school friend, Laurent, and almost immediately Therese and he, overwhelmed by sexual attraction, begin a passionate affair.

When *Therese Raquin* was first published in 1867, it aroused great controversy and was even denounced by

many as pornographic because of its naturalistic treatment of adultery and passion. Zola himself defended it: "I have chosen people completely dominated by their nerves and blood, without free-will, drawn to each action of their lives by the inexorable laws of their physical nature. Therese and Laurent are human animals, nothing more."

Kate Nelligan, Frank Langella's beautiful victim-turned-lover in the movie "Dracula," and Brian Cox star as the guilty lovers, Therese and Laurent, who commit a crime of passion and then must cope with the

horrifying psychological aftermath. Kenneth Cranham is Camille Raquin, the husband and victim in this dramatic triangle, and Mona Washbourne portrays his mother.

*Therese Raquin* was dramatized by Philip Mackie, International Emmy award-

winner for "The Naked Civil Servant" who also wrote the TV adaptation of Francis Iles' "Malice Aforethought" seen on the *Mystery!* series this season. Simon Langton directed. His credits include episodes of *Upstairs, Downstairs*, *The Duchess of Duke Street* and *Danger UXB*.

## Unity Broadcast Network Buys Two Stations

NEW YORK, NY — Unity Broadcasting Network, Inc., of New York is expanding its communications horizons.

In its second major acquisition within 18 months, Unity has agreed to purchase two leading St. Louis, Missouri, radio stations — KATZ-AM and WZEN-FM — from Laclede Radio, Inc., for \$3 million.

Announcement of the agreement, which is subject to the approval of the Federal Communications Commission, was made by Eugene D. Jackson, president of Unity Broadcasting, and Arnold B. Hartley, president and principal stockholder of Laclede Radio.

KATZ-AM and WZEN-FM, which both have substantial and loyal audiences, are the only two radio stations in St. Louis whose programming is specifically designed to meet the needs of black citizens in that city. Metropolitan St. Louis has a black population of nearly 450,000.

If the agreement gains the approval of the FCC, Unity Broadcasting will own and operate four radio stations. The company purchased two leading radio stations in Philadelphia — WDAS-AM and FM — in November 1979.

The move to acquire the St. Louis stations reflected Unity's growing stature in

the communications industry, and the network's confidence in the future of radio as a leading entertainment, information and advertising medium. In the coming years, Unity plans to purchase other AM and FM stations and intends to develop new and innovative programming concepts so as to offer even more comprehensive services to both the listening audience and to advertisers. The flagship of Unity Broadcasting is the National Black Network (NBN), headquartered in New York City. NBN, which was founded in 1973, presently has more than 90 affiliates across the nation.

Currently, those stations affiliated with NBN cover more than 100 black consumer markets, with the potential of reaching well over 75 per cent of the total black population in the United States. The network's news, feature, sports and public service programs have gained widespread acclaim throughout the broadcasting industry.
