Soul Trio

If one were able to add all of the soul in this photo, the stuff would reach from New York to Los Angeles where Stephanie Mills (left) and Thelma Houston (right) were recent dressing room guests of Philadelphia International superstar, Teddy Pendergrass. Currently, the soul is flowing from

all three artists: Stephanie has Mr. P. for a duet partner on her new 20th Century Fox single, "Two Hearts," and Thelma's "If You Feel It" has just hit the shops from RCA Records, which also distributes 20th Century Fox.
