with a 30-0 record.  
 11. UCLA (1965) — The Wizard's second title club lost two games to prove they were mortal.  
 12. DUKE (1964) — Although this club lost the big one to UCLA, they tore through the rest of the NCAA like a Tsunami.  
 13. SAN FRANCISCO (1955 & 1956) — Most polls place this club in the top ten and they were great but I don't think that they could beat the

1960's and 70's clubs that I've placed ahead of them.  
 14. DUKE (1966) — Ask John Wooden who got clobbered by the Devils on successive nights in Durham and Charlotte just how good this team was.  
 15. SOUTH CAROLINA (1970) — There are many who still believe that this team would've won the 1970 NCAA Crown if they hadn't been upset in the

ACC Tournament. The first team to go 32-0  
 16. NORTH CAROLINA (1957) — and win the National Championship.
