CPR CAN SAVE A LIFE — CPR is short for cardiopulmonary resuscitation. It's a way to help keep heart attack victims alive. And it works.

CPR classes can usually be completed in 8-12 hours of instruction given over 2 to 3 days. You'll learn how to give basic life support to adults, children and infants.

Look for the CPR posters in your area for class information or call the Triangle J Council of Governments at 549-0551.

CPR — one day it may save the life of someone you love.

PARTNERS AUCTION — The third annual Partners Auction to raise funds to support and expand the Partners program will be held on Saturday, June 6. The day-long auction will be telecast live on WRAL-TV, Channel 5. Viewers will be able to call in bids on new retail merchandise and services donated by area merchants.

Last year's auction produced \$45,000 for Partners.

Partners works with youths 10-18 years old who are in trouble or need special help. By matching them up with a caring adult, these youngsters are helped with the many problems of growing up.

Youth ages 2-14 are invited to participate. Those under age 8 must be accompanied by a parent.

The rodeo will be held at Bob Strayhorn's pond on New Hope Church Road (off Highway 86) between Chapel Hill and Hillsborough. Directional signs will be posted along Highway 86 on the day of the event.

Fishing will begin at 10 a.m. and will end with a hot dog lunch at noon. Cane poles and worms will be provided and prizes will be awarded in various categories. Rain date for the event will be Saturday, June 13.

For more information, call Carrboro Recreation and Parks Department, 942-8541, ext. 203, or Orange County 4-H, 968-4501, ext. 455.
