CPR CAN SAVE A LIFE — CPR is short for cardiopulmonary resuscitation. It's a way to help keep heart attack victims alive. And it works.

CPR classes can usually be completed in 8-12 hours of instruction given over 2 to 3 days. You'll learn how to give basic life support to adults, children and infants.

Look for the CPR posters in your area for class information or call the Triangle J. Council of Governments at 549-0551.

CPR — one day it may save the life of someone you love.
