### *Peaches & Herb Hit The Soaps*

Polydor/PolyGram Records recording artists Peaches & Herb, whose brand-new single, "Freezy," is already climbing the R & B charts in anticipation of their new album, *Sayin' Something*, recently made a cameo appearance on the popular ABC-TV soap opera, *The Edge of Night*. The duo played themselves in a night-club scene where they sang their hit song, "I Pledge My Love."
