## Striders Junior Cross Country Team To Begin Training

**By B. Dawson**  
Durham Striders cross country fall training program will get underway Saturday, September 5, at Shepard's Track-Field, according to Strider's assistant coach Russell Blunt.  
Blunt who is head coach of Hillside Senior High School cross country team said, the Striders fall cross country team will be made of boys and girls ten years old and up to junior high school ages (12-14).  
According to Blunt, "city and county senior high schools cross country team members would be ineligible to run with the Durham Striders until mid-November.

Durham city and county senior high schools cross country regular season meets end around the middle of November, "but there are no cross country track programs in the county's junior high schools," Blunt added. "It is the junior high school age runners who are expected to meet at Shepard Track September 5. Blunt said, senior high cross country distance runners will have to wait until the regular season is completed.  
Striders head coach Frank Davis, mentioned that some senior high Strider members participate in other fall

sports in addition to cross country. Davis said those involved in other sports are likely to run with the Striders later this season.  
Anyone interested in more information about

Durham Striders cross country program should write P.O. Box 11392, Durham, NC 27703, or call either Russell Blunt at 682-5019 or Striders head coach Frank Davis at 477-8179.

### Ali-Frazier (Continued From Page 5)

by current champ Larry Holmes.  
It's interesting that Ali picked Columbia, S.C. for his latest whoop tee doo, actually the people in Columbia should consider it a slap in the face because the word that's going around is that no other city would grant Ali a boxing license. You've got to wonder if Ali would've given a city

like Columbia a second look when he was in his prime.  
Joe Frazier who seems better physically fit than Ali also has no business in the ring, the former "Smokin'" Joe was wise to hang up his gloves after a 1976 loss to George Foreman, he has a son in boxing now and he should concentrate his efforts in helping reach the top.  
The world of boxing seems shady even in the best of times and it can ill afford such a mess.
