CHILDREN — Children are continuously con into foster care. Foster care provides for the tional and physical well-being of a child temp ly. A person wanting to become a foster should take a look at his/her personal situal Could he/she best serve a child for emergency a few weeks, months, or long-term care, could mean years of caring for a child?

The Durham County Department of Social vices needs foster parents for school age child children with emotional problems, physical mental handicaps adolescents, and sibling gro "special needs" children. The basic requiremen become foster parents are not that difficult.

 be 21 to 65 years old;
 provide a healthy living environment and to standards for sanitation and fire safety;

- have adequate sleeping space; and

- have a stable income.

The crucial and most important criterion becoming a foster parent is to be able to be come ted to helping children. Most of these children come into care with emotional problems relate physical, emotional or sexual abuse, neglect, a donment or death of their parents or caretakers. The loss of family and friends familiar places can be extremely traumatic fi child. He may manifest his feelings of loss in challenging ways. It might be necessary for foster parent to be an active participant and vocate for the child in school or participate in a ly counseling. For children with special med needs, it might require special training. The no of these children are many.

Monthly informational meetings on foster are held at the Department of Social Services. dates and times, please call the Homefinding at 683-3500. If you believe that you can procare for any of the "special needs children". will be immediate follow-up as this is the area
