# Eagles Win CIAA Southern Division Title

## Fraylon Gets 354 In Total Offense

CHARLOTTE — Freshman sensation Gerald Fraylon amassed 354 yards in total offense, ran for two touchdowns and passed for another as the defending CIAA Champion North Carolina Central Eagles blasted Johnson C. Smith 37-6 in Memorial Stadium. A Homecoming crowd of 10,152 witnessed the Eagles assault of 558

yards in total offense—324 rushing. Fraylon, a graduate of Charlotte's Myers Park High, returned home and completed 12 of 20 passes for 222 yards and rushed 14 times for another 132. His two touchdowns give him 10 for the year and 64 points. He is ranked eighth in scoring in NCAA Division II. The Eagles clinched

the CIAA Southern Division title with a 5-1 conference mark. They are 5-3 overall. Smith fell to 2-4, 3-6. Junior fullback Bennie Tate opened the scoring for Central with a 5 yard run with 4:27 left in the first period. The Eagles had marched 58 yards in 7 plays. Fraylon scored his first touchdown on the first play of the second stanza on a quarterback sneak. The

Eagles had marched 49 yards in seven plays. Tate set up the Golden Bulls' only touchdown when he fumbled at the NCCU 22 with 6:43 left in the half. An interference call gave the Golden Bulls a first and goal at the one. Jeff Steele bulled the final yard at 5:51.

Central scored with 30 seconds left in the half when Fraylon tossed a 25 yard strike to junior split end Victor Hunter. The Eagles moved 63 yards for the score in four plays.

Fraylon scored his second touchdown on a four yard run climaxing a 70 yard drive with 8:11 left in the third stanza.

Freshman kickier Joel Massey booted a 28 yard field goal with 2:54 left in the game and sophomore reserve cornerback had a 16 yard interception for a score to rap up the scoring.

This game was billed as a contest between NCCU's defense and the high-powered offense of Smith that was averaging 350 yards per game. The Eagles second-ranked defense won the battle holding the vaunted

Golden Bulls attack to 31 yards rushing and only 80 passing. Smith quarterback John Henry Thomas had thrown for nearly 1500 yards prior to the contest but was hurried and ahrased in to completing 8 of 25 passes for 80 yards. He was intercepted twice. Last week against Winston-Salem he threw for 372 yards.

Hunter is the leading receiver with 18 catches for 335 yds.

# S.C. S. MEAC Champ For 7th Time

The South Carolina State College Bulldogs took on the strong challenge by conference rival Bethune-Cookman Saturday, came away with a 10-6 victory, and won the 1981 Mid-Eastern Athletic Conference Football title. It was S.C. State's second crown in a row, and seventh in the MEAC's eleven years.

Only this year, there is an added attraction. The conference champion has an automatic berth in the NCAA Division I-AA Playoffs.

The game in Orangeburg, S.C. had

been billed as the "championship game", and it was played that way. Both teams were undefeated in conference play. S.C. State was the total offense leader, B-CC the defensive leader, and both squads were allowing only ten points per contest. S.C. State opened the scoring early in the second quarter when quarterback Ben Mungin scampered nine yards and Alex Gardner kicked the extra point.

Dennis Daniels kicked a 22-yard field goal and a 46-yarder late in the quarter to close the gap

to 7-6 at halftime. The defenses continued to shine, and the only second half scoring was a 21-yard field goal by Gardner in the third quarter.

S.C. State held the Wildcats to 72 yards passing and 12 rushing on 35 attempts. Bethune-Cookman's defense allowed the Bulldogs 89 rushing yards and 41 passing.

In Greensboro, Florida A&M still with a chance at the title, had S.C. State lost; shut NCA&T down, and beat them 19-2. FAMU's defense gave up just 62

yards rushing. Offensively, Charles Bevel scored on a 53-yard second-quarter run, and then kicked the extra point. The Rattlers then got fourth quarter touchdown runs by Emery Collier, 25 yards, and Curtis Burns, seven yards. A&T avoided the shutout with a safety and just 4:38 left to play.

Delaware State scored first against Salisbury State in the initial period when Johnny Rowe scored on a one-yard run, and Bob Swoope kicked the extra. However, Salisbury tied the game in the second period with a scoring pass and went on to win 13-7 after a 37-yard run in the third quarter.

without influence of another country. The African National Congress, a widely recognized liberation group, was formed in 1912, five years before the Bolshevik Revolution of 1917, Gurirab said, while declaring SWAPO independent and authentic. He said if Russia did not exist, that Namibia would still be fighting for independence.

South Africa's white minority regime has illegally occupied neighboring Namibia since 1966 when the United Nations revoked a mandate which provided for South Africa's control of the southern African country.

The black liberation movement, SWAPO, is recognized by the Organization of African Unity and the United Nations as the legitimate representative of the Namibian people.

Gurirab said SWAPO "makes no apologies for establishing friendly relations with the Cubans and Russians." He said all assistance is received on SWAPO's terms.

All U.S. governments have aided and abetted South Africa's neo-colonialism by economic and political collaboration, Gurirab said. All U.S. governments have been anti-Africa and pro-racist.

The forum coincided with the first anniversary

of the NBIPP and was staged to "give an expression that people in the Triangle area are involved in and concerned about the liberation struggles in southern Africa" which includes South Africa and Angola. Harambi Student Union also assisted in staging the forum.

Also addressing the 300 persons who attended the forum were Ms. Gay McDougall, director of the Southern African Project and Randall Robinson, executive director of TransAfrica.

Ms. McDougall said the effects of apartheid on the black worker have resulted in inhumane conditions. Blacks are stripped of all basic human freedoms and political rights. The aim is economic exploitation and the root and fruit is profit for Western industrialized nations, she said.

Robinson said the United States' policy toward South Africa enhances the system of apartheid. U.S. investments in South Africa reach nearly \$2 billion; the U.S. Coast Guard trains South African troops; and, the U.S. consistently votes in the United Nations against strong sanctions against South Africa — all showing that the U.S. government has not taken an affirmative stand against South Africa's racist, inhumane policies, he said.
