### Having Your Gold and Eating It, Too

How to have your Gold record and eat it, too? 20th Century-Fox Records star Stephanie Mills has the answer. Get a chocolate-chip Goldgram, that's how. Stephanie received one of the custom-baked, 12-inch cookies from 20th's President Neil Portnow to commemorate her third consecutive Gold Record, "Stephanie", distributed by RCA. Presentation of the edible disc took place recently at the Greek Theatre in Los Angeles.
