

Apricot Chip Muffins

Muffins — A Summertime Treat Anytime

Hot muffins — mmh — always just right to brighten up any meal, from breakfast to late night snacks. Well, a

delightful combination in our **Apricot Chip Muffins**, made with peanut butter chips and chopped dried apricots.

The peanut butter chips are easier to work with...pour from the bag into the batter, as here...or melt down quickly and smoothly for ultra-creamy fudges, frostings, fondues and the like. A bargain at the check-out counter, too.

And for the kids, stir up a batch of peanut butter chips and jelly bars. Enjoy!

Apricot Chip Muffins

- 4 cups unsifted all-purpose flour
- 1/2 cup sugar
- 2 tablespoons baking powder
- 1/4 teaspoon salt
- 2 eggs
- 1 1/2 cups milk
- 1/2 cup apricot nectar
- 1/2 cup salad oil
- 1 cup Peanut Butter Chips
- 1/2 cup finely chopped dried apricots

In a large bowl, mix flour, sugar, baking powder and salt with a fork. In bowl, beat eggs, milk and nectar with fork to blend. Add oil. Add egg mixture to dry ingredients all at once. Add peanut butter chips and apricots. Blend with fork just until flour is moistened. (Batter will be lumpy). Spoon batter evenly into 24 greased 2 1/2-inch muffin pans. Bake at 400°F. for 20 minutes or until golden and toothpick inserted in center comes out clean. Remove from pans to wire rack immediately. Makes 24 muffins.

and Jelly Bars

Combine 3 cups unsifted all-purpose flour, 1 cup sugar and 1 1/2 teaspoons baking powder. Cut in 1 cup softened butter or margarine until mixture resembles coarse crumbs. Stir in 2 beaten eggs until mixture is smooth. Press half of mixture into bottom of greased 13 x 9 inch pan; spread with 1 cup grape jelly. Sprinkle with 1 cup Peanut Butter Chips. Crumble remaining dough over chips; bake at 375°F for 30 to 35 minutes or until lightly browned. Immediately sprinkle with remaining 1 cup Peanut Butter Chips. Cool; cut into squares.

NCCU Graduate Receives Fellowship

Ms. Vanessa Brown, a 1982 magna cum laude graduate of North Carolina Central University from Kenansville, has been awarded an Afro-American Studies Fellowship Award by the graduate school of Syracuse University.

Ms. Brown, who taught sixth grade at the Fayetteville Street School after completing her course work at NCCU in December, 1981, will work toward the master's degree in speech pathology at Syracuse.

She was an elementary major at NCCU, with a minor in French. She worked while a student as a reader at Measurement, Inc. The company grades standardized tests for corporations and other agencies.

The daughter of Mr. and Mrs. John R. Brown of Routh 1, Kenansville, holds a diploma from James Kenan High School, and attended NCCU as a Chancellor's Scholar. That scholarship is a merit scholarship given without reference to financial need.

Ms. Brown, whose Syracuse fellowship provides full tuition and a stipend for a year of graduate work, is considering further graduate work toward a Ph.D., and plans to continue to work in the public school system.
