Cablevision To Cablecast School Centennial Events

The 100th anniversary of the Durham City School system is being celebrated this Fall, and Durham Cablevision will present highlights of the planned activities two evenings each week through the month of October.

Students from the Durham City School's Audio-Visual Department under Ken Clemmons, and the Radio-Television Production classes under Mary Coor will be video taping the events. Durham Cablevision will cablecast the programs on Tuesday and

Thursday evenings at 6 p.m. through the month of October on cable channel 8.

Durham Cablevision provides free cable service to the City School System, and provides two cable channels for the exclusive use of the system. Cablevision also provides air time on cable channel 8 for the twice-monthly meetings of the City School System Board of Education. Coverage of the school board meetings is produced by the Radio-Television Production class of Durham High School.
