BUSINESS OPPORTUNITIES

Are you willing to invest your money in a well-managed manufacturing business without expecting immediate returns? A business with a good product, good reputation and a big market will succeed if properly financed and well managed. This business is offering good progress in these dull times, but lacks sufficient capital. It is an opportunity well worth a close investigation. At least 100,000 units are needed. There is no position for sale with the purchase of the stock. Address Manufacturing-313, care Observer.
