The Xmas Spirit is Everywhere
A Useful Gift is a Compliment to Your Intelligence—Whether You Give or Receive it.

Read the head lines again—"A Useful gift is a compliment to your intelligence—whether you give or receive it." Keep that in mind when you set out on your "tour of inspection" next week and you will, "naturally" include the "Busy Store" in your list of stores to be visited.

This store is a "family" store, particularly at Christmas-time, for here every member of the family may quickly and satisfactorily secure useful gifts for every other member of the family, and when in doubt as to what to give—

GIVE HANDKERCHIEFS

The gift of a half-dozen handkerchiefs strikes a good many people—giver and recipient—as just about right, for relative or friend; man, woman or child. And each year we sell more handkerchiefs than the year before, which is conclusive evidence that this store is the place to get your Xmas handkerchiefs.

For Man or Women—How About Kid Gloves? Just Right!
We have the best that can be bought to retail at \$1.00 for women, \$1.00 to \$1.50 for men.

The Gift of a Pair of Shoes or Slippers are Most Acceptable, so if your mind should run in this particular line we can supply you. A gift for the dining room is usually very acceptable, so if you do not know just what to give—get something for the table; a linen table cloth, a set napkins, a set knives and forks, a set silver tea spoons, a set silver knives or forks, a silver gravy ladle or berry spoon will make a nice present.

We have done our best to get Christmas goods of the most worthy character, realizing the conditions of things at this time, we suggest the giving of useful gifts. And too, we have not been forgetful of the children, we have made ample preparation for them.

So you see we have for months planned, to bring together articles that we know will be thoroughly appreciated by those who select them, and doubly so by the recipient.

The whole store fairly breathes of Christmas—every nook and corner is full of suggestions, that will be of valuable assistance to you in deciding just what to give.

In this limited space we can not hope to cover the numerous lines here for your viewing but we invite you to come and give yourself the satisfaction of a personal inspection.
