After we have spent all of our spare coin in the relief of suffering abroad it will be in order for Europe to pass the hat for the relief of unfortunates in our midst.

All of the warring nations accuse this country of favoring the other side. And poor old Uncle Sam is literally busting his gallus in a frantic effort to straddle the fence.

Attorneys J. E. Vann, Winton; L. J. Lawrence, Murfreesboro and R. C. Cridger, Winton; were in town Monday to attend the first meeting of the creditors of E. Feldman, bankrupt. Judge Gaskins, of Tarboro, presided. It will be remembered that Feldman failed for about \$9,900 with assets amounting to about \$3,500.

Three Days of Entertainment.

The Booster Festival or Chautauqua which has been entertaining the people of our town for the past three days came to a close Wednesday evening. The entire program was high class and of an elevating nature. Every number was excellent.

Dr. Bible's lecture Sunday night in the Baptist Church to a crowded house was of a high order and should linger with us.

Forty-five minutes of fun for children and grown ups was presented by Merton, presenting magical illusions. He entertained the children as well as the grown ups.

Dr. H. W. Sears in his humorous lecture on "Grumblers" or "The Evils of Worrying" held the attention of the audience for another forty-five minutes.

Dr. Sears' lecture Monday evening, "More Taffy and Less Entapty" should be an every day lesson to our people as they mix and mingle with one another.

The Lyric Glee Club of Philadelphia was on the program for Tuesday afternoon and highly complimented by our people, especially the ladies, who realized there was something in store for them.

Ellsworth Plumstead, the impersonator, entertained the audience also on Tuesday afternoon and made a fine impression.

The Ladell Concert Company made a fine impression with our people Wednesday afternoon and evening. The three members were experts and our people were loathe to part with them. It was a treat to lovers of good music.

The audience welcomed Dr. Geo. P. Bible on the program again Wednesday evening. His subject was "Life and Opportunity" which he handled to perfection. Dr. Bible's lecture should leave a lasting impression with many of our people.

It is expected that our people will arrange with the company for a return engagement next year. If so we are in hopes that the guarantors will be more successful and realize a good sum for some worthy object.

F. Davis, 83 Seaboard ave., South Norfolk. The ceremony was performed by Rev. W. M. Black, pastor of the South Norfolk Baptist church in the presence of friends and relatives of the young couple.

Mr. and Mrs. Daughtie left Monday for an extended northern bridal tour, after which they will make their home in South Norfolk.

Return Thanks.

I wish to thank through the columns of the HERTFORD COUNTY HERALD, my neighbors and friends at Lewiston for the comfort and aid rendered during the five weeks illness, and death of my baby boy. Many times when I felt that this trouble was more than I could bear so many came forward to render service, speaking words of comfort to a broken hearted mother, which was a great consolation to me, during those sad and weary hours of my life.

I thank each and every one, and especially the faithful physician Dr. Garris who rendered untiring service, from the depths of my sorrowing heart for every kindness shown me.

Mrs. Beulah Mitchell,
Harrellsville, N. C.

In hand the board of directors found it impossible to undertake the erection of the whole building and, consequently, the central section only was erected and finished, and is now used as laboratories and class rooms for the various science taught in the college. We cannot increase the attendance to any large extent without providing additional class rooms. As this building is to be a memorial to the founder of the college, it seems to me that it should be completed as early as possible.

Need New Dormitory.
"Our present dormitories have accommodations for about 575 students. During the past two years we have completed and now use two dormitories accommodating about 60 students each. Notwithstanding this increase in our capacity, we find ourselves unable to accommodate all who wish to enter the institution as students.

"There has never been a time when the demand for trained teachers in our State was so urgent. It seems to me that it would be a wise investment if the Legislature would provide for increasing our dormitory capacity each year for several years. In a college for young women the attendance can with fair accuracy be measured by the capacity of the dormitories."

State Hospital, Morganton.
Dr. John McCampbell, superintendent of the State Hospital at Morganton, appeared before the committee and stated the needs of the institution over which he presides. He asked for an appropriation of \$60,000 to increase the capacity of the new receiving building, \$60,000 to construct a water system and \$222,000 for maintenance. Dr. McCampbell stated that the present capacity of the institution is about 1,200 patients and that if the capacity of the receiving building is increased 200 more can be taken care of. This past year 397 applications for admission were rejected on account of lack of room.

Capt. J. P. Sawyer, of Asheville, Mr. R. R. Clark of Stateville, and Mr. A. E. Tate of High Point, members of the board of directors were present and expressed their views to the committee as to the needs and improvements asked for.—From Saturday's News and Observer.

Mrs. O. Francis Thomas.

Mrs. O. Francis Thomas died at the home of her brother, Mr. Albert Atkins on Thursday night February 11, 1915. Mrs. Thomas united with the Bethlehem Baptist church when she was a girl, and in later years she was married to Mr. Joseph J. Thomas who died only a few months later. After the death of her husband, she lived with several of her sisters and cared for them as long as she was able to do so. Later she went to live with her brother, Mr. Albert Atkins, where she remained until her death. She was long a quiet, patient sufferer, and her last sickness found her too frail and infirm to long survive. She was a good woman living a patient, quiet shut in life, and we believe she was ready and welcomed the change and that death was to her a relief.

The funeral services were conducted by the pastor and the burial took place at the family burying ground on the land of Mr. S. J. Hill.

We extend our sympathies to her aged brother, Mr. Albert Atkins, who is the last surviving member of the family on either side. May the grace which is ever equal to the support and comfort of God's suffering people be graciously vouchsafed to him in this bereavement and sorrow.
